Pioneers Ashley Coghill,2020-02-01 It all started in 1964 when two friends gave up promising medical careers to embark upon a journey which few hardened truckers would have considered In so doing they were solely responsible for creating the first long haul overland route across Europe and deep into the Middle East to Kabul The men had started the Middle East Run was to become a phenomenon in the road haulage industry an image which it still holds today This book is about the company founded by one of those men from its fledgling days as Asian Transport to the thriving Astran Cargo Services Ltd that it is today In this book Ashley Coghill documents the complete history of the company to date with the focus

predominantly on the early days when the men were fighting for something and revelling in the adventure These early long haul drivers would think nothing of a 10 000 mile round trip to Iran or the Arabian Gulf and being stranded at 6 000 feet on a mountain pass with temperatures below 40 was just all in a day s work Ashley Coghill has an immense enthusiasm for his subject and has given his research total dedication He has also tracked down past and present employees to gather first hand information which he has illustrated with over 300 carefully selected images The end result is a detailed comprehensive and fascinating account of an extraordinary company The Vodka-Cola Cowboy: Trucking Russia 1990 - 1995 Mick Twemlow,2020-05-01 The Vodka Cola Cowboy describes life trucking in what is possibly the harshest environment in the world Russia Between 1990 and 1995 British owner driver Mick Twemlow worked to transport goods to from and within Russia and the wider Soviet Union Living in Moscow with his future wife Elena and their daughter Margarita who was born there in 1992 Mick learned the language and fully immersed himself in Russian society giving him an insider s view of this time of massive upheaval in the Soviet Union The book vividly illustrates the conditions that British truck drivers encountered such as the atrocious winter weather in a wild and unforgiving landscape police harassment and the dangers that came with the dissolution of the USSR Mick was the only British truck driver in Moscow throughout the whole of the anti Gorbachev coup of 1991 and so the book offers a unique perspective of that historical event The incidents described in the book range from the humorous to the serious to the potentially life threatening This book will primarily be of interest to truck drivers and those with an interest in road transport and the haulage industry in general Russia is still an unknown quantity all around the globe with regards to people s understanding of it and its people and so The Vodka Cola Cowboy will also be of interest to anyone who has a fascination with the country particularly during this tumultuous time in the region s socio political history *Snowmobile Service Manual* Intertec Publishing Corporation.
