Unfuck Your Cunnilingus Faith G. Harper,2022-05-17 Vulvas rejoice Here is the expert guide you need to the art and science of giving and getting oral pleasure Learn techniques for causing great pleasure and for communicating desires needs and boundaries Find out the science of why oral sex feels so damn good work through societal and cultural messages that might get in the way of full enjoyment and get a good grip on the health safety and hygiene stuff you need to know Dr Faith G Harper sexologist and bestselling author of Unfuck Your Brain and Unfuck Your Intimacy brings her humor knowledge and compassion to help you gain a wonderfully fulfilling sex life **Curve** ,2004-02 **Human Sexuality, Study Guide** Bobbi Mitzenmacher,Bryan Strong,Christine DeVault,1994 *The Mystery of Joyful Sex* LAURA SCOTT,2012-09-10 The text printed on the previous pages is devoted to three issues the joy of sex intimate massage and erotic games and foreplay Their keystone is intimate touch Its function cannot be overestimated not only in its relation to sex but also to health personal well being cheerfulness and life energy etc Its most evident role is in intimate massage Of course things are different between people dear to one another and strangers In the first instance intimate massage can be a prelude to sex while in the second case it is just a service performed for a specific purpose This publication is intended just as much for the single audience as it is for couples This is why sex and massage are intertwined together in this book However it does not mean that the author is encouraging sexual intercourse at the end of a massage Unless of course it is a result of the partners closeness and spontaneity First of all this publication shows the outstanding role of intimate touch for our health and well being Therapeutic intimate massage is not an overstatement for this special kind of massage because its proper use leads to the production of large amounts of endorphins which affect our mood This mechanism of our brain activity was described in Sexual Healing by Barbara Keesling PhD It turns out that the same results can be achieved during intimate massage So this is why more than 300 ways of erotic and intimate touch are described in the book One does not have to check out all of them but instead finding a reasonable quantity that corresponds to the temperament is recommended **The New Good Vibrations Guide to Sex** Cathy Winks,Anne Semans,1997 The best sex manual ever written The Advocate Buy one for
