

A LIGHT IN THE ATTIC

There's a light on in the attic.
Though the house is dark and shuttered,
I can see a flickerin' flutter,
And I know what it's about.
There's a light on in the attic.
I can see it from the outside,
And I know you're on the inside . . . lookin' out.

Get Ready! For Standardized Tests : Reading Grade 3

Joanne Baker, Carol Turkington, 2001-06-26 Schools in 45 states now administer annual standardized tests designed to gauge children's proficiency in reading and in many cases to determine who gets promoted and who doesn't. These latest volumes in the critically acclaimed Get Ready For Standardized Tests series arm parents with proven tools and techniques to help assess their children's basic reading skill levels, pinpoint their specific problem areas, reinforce their proficiency, gauge their progress, and instill them with the confidence and test-taking know-how needed to shine on virtually any standardized test. Taking Flight Early, Margaret Early, 1983 **Elements of Literature**, 2003 Collections of literary works and accompanying lessons covering conflict, autobiography, poetry, main ideas, short story, drama, subjective and objective writing, and mythology and folk tales. *Through the Eyes of a Child* Donna E. Norton, Sandra E. Norton, 1999 One of the most respected comprehensive sources on available children's literature. Surveys the history of children's literature, explores the child's response to literature, and explains how to evaluate and select literature for children. Features unique two-part genre chapters: one part content and one part methods. Covers artists and their illustrations, picture books, traditional literature, modern fantasy, poetry, contemporary realistic fiction, historical fiction, multicultural literature, and nonfiction, biographies, and informational books. Contains illustrations from favorite full-color children's books in their original colors and art from real children. Features guest editorials by authors and illustrators, flashbacks of historical events, works and people, and a section on multicultural literature in every chapter. Provides a dual platform CD-ROM with annotated reference information on the more than 3000 children's literature titles listed in the book. For anyone interested in children's literature. *Families in Society*, 2000 *Reading Literature* Huck, 1996-11 The Effective Teaching of Language Arts Donna E. Norton, 1993 Field tested and backed by sound research, this popular methods book provides readers with a broad background in language arts, including assessment and instruction in the major areas of speaking, listening, writing, and reading. Thoroughly encompassing the back-to-basics movement and the trend toward literature-based instruction, it offers clearly developed methodologies and lessons and makes extensive use of children's actual language samples to illustrate ways literature can enhance the development of language arts skills. Written by an award-winning author, the book focuses on material that embraces the needs of all learners: linguistically different children, multicultural children, and children with learning disabilities and handicaps. Emphasizing the importance of literature-based strategies and the identification of literature that can be applied to each of the language arts, it offers For Your Plan Book, a special section at the end of most chapters which provides concrete ideas, field-tested lessons, and unit plans teachers can take right into their classroom. Literature chapters are now moved to the forefront of the book, enabling instructors to place a greater emphasis on literature-related language arts. Strong methodologies in the composition chapters now encompass the writing process, plus results of a five-year composition study of the relationships between writing and literature. Public school educators, parents in home schooling, and library personnel. Elementary Children's
