Bunheads Misty Copeland, 2020-09-29 Instant New York Times bestselling series opener inspired by prima ballerina and author Misty Copeland's own early experiences in ballet. From prima ballerina and New York Times bestselling author Misty Copeland comes the story of a young Misty who discovers her love of dance through the ballet Coppelia, a story about a toymaker who devises a villainous plan to bring a doll to life. Misty is so captivated by the tale and its heroine Swanilda that she decides to audition for the role. But she's never danced ballet before; in fact, this is the very first day of her very first dance class. Though Misty is excited, she's also nervous. But as she learns from her fellow bunheads, she makes wonderful friends who encourage her to do her very best. Misty's nerves quickly fall away, and with a little teamwork, the bunheads put on a show to remember. Featuring the stunning artwork of newcomer Setor Fiadzigbey, *Bunheads* is an inspiring tale for anyone looking for the courage to try something new.

The Wind at My Back Misty Copeland, 2022-11-15 From celebrated ballerina and New York Times bestselling author Misty Copeland, a heartfelt memoir about her friendship with trailblazer Raven Wilkinson, which captures the importance of mentorship, shared history, and honoring the past to ensure a stronger future. Misty Copeland made history as the first African American principal ballerina at the American Ballet Theatre. Her talent, passion, and perseverance enabled her to make strides no one had accomplished before. But as she will tell you, achievement never happens in a void. Behind her supporting her rise was her mentor, Raven Wilkinson. Raven had been virtually alone in her quest to breach the all-white ballet world when she fought to be taken seriously as a Black ballerina in the 1950s and 60s. A trailblazer in the world of ballet decades before Misty's time, Raven faced overt and casual racism, hostile crowds, and death threats for having the audacity to dance ballet. *The Wind at My Back* tells the story of two unapologetically Black ballerinas, their friendship, and how they changed each other and the dance world forever. Misty Copeland shares her own struggles with racism and exclusion in her pursuit of this dream career and honors the women like Raven who paved the way for her but whose contributions have gone unheralded. She celebrates the connection she made with her mentor, the only teacher who could truly understand the obstacles she faced beyond the technical or artistic demands. A beautiful and wise

memoir of intergenerational friendship and the impressive journeys of two remarkable women The Wind at My Back captures the importance of mentorship of shared history and of respecting the past to ensure a stronger future **Life** John Ames Mitchell,1912 **Motion Picture Story Magazine** ,1922 *Nature London* ,1870 **Nature** Sir Norman Lockyer,1870
