Thousands of years ago, the first pearl was probably discovered while human beings were searching for food at the sea shore. Throughout history the pearl with its shine has been one of the most highly valued gems. Pearls have been mentioned many times in religious texts and mythologies from the earliest times. The ancient Egyptians valued pearls so much that they were buried with them. It is said that, the famous queen of Egypt Cleopatra would dissolve a pearl in a glass and drink it as a sign of love and respect for the entire nation. The Greeks thought the pearls as a sign of wealth and social position. The beauty of pearls was associated with love and marriage.
