Msce Biology Practical Examination:

Black African Story Isaac B Thomas, 2019-04-03 In *Black African Story* Isaac attempts to expose reasons for Black people's failure to get along at the same pace with other races in terms of technological advancement and economic prosperity. He discusses reasons that some sections of the immediate black society are not keen in discussing such as cultural reforms. The book offers possible solutions with much emphasis on Zimbabwe and Malawi as case studies. **General Biology**
