

ESSAY WRITING IN MSCE HISTORY

Normally, essay questions at MSCE level are of higher order and carry key words like discuss, explain, in which way, describe etc. Such questions demand more than mere comprehension of facts.

This means that you have to tackle them with maturity.

However, before beginning an essay, it is very necessary to understand what the question is demanding.

You also need to understand the vocabulary in the question and how many parts the question is demanding.

ORGANISING THE MATERIAL

After reading the question, you should accumulate information or points. It is your duty to put these points in logical sequence that should be interesting and meaningful to the marker. Proper arrangement may be based on:

- Chronological order (time frame)
- Logical order (from one concept to the other)

PARTS OF AN ESSAY

1. TITLE

- This is framed from the question that you have been asked.
- Note that the title should not be quantified i.e the title should not show the number of points that you have been asked as this will be reflected in the main body.
- The title should be written in small letters (underlined) or capital letters (not underlined).
- After the title, the essay should have the following distinct but related paragraphs:

2. INTRODUCTION

- At least a third of the page should be for introduction and should include the following:
- Showing background information i.e what previous knowledge about the topic from which the question has been picked you have, apart from answering the question. This can be in form of a definition or any information that you have about the topic.

Focus of attention i.e. what the reader should expect in the essay.

3. MAIN BODY

- This is where you actually address what the question is asking by demonstrating your art

of breaking down the materials gathered i.e. the points.

- ✓ This is put in paragraphs and the number of paragraphs will depend on the factors that you

have been asked either to explain or discuss,

- ✓ For proper boundaries of the paragraphs, you are supposed to use words which are known as 'signaling devices.'

- ✓ These are used for thorough and logical flow of information.

NB: Most devices have specific paragraphs.
