Joyriding in Riyadh Pascal Menoret, 2014-04-21 Why do young Saudis night after night joyride and skid cars on Riyadh's avenues Who are these drifters who defy public order and private property What drives their revolt Based on four years of fieldwork in Riyadh Pascal Menoret's *Joyriding in Riyadh* explores the social fabric of the city and connects it to Saudi Arabia's recent history Car drifting emerged after Riyadh was planned and oil became the main driver of the economy For young rural migrants it was a way to reclaim alienating and threatening urban spaces For the Saudi state it jeopardized its most basic operations managing public spaces and enforcing law and order A police crackdown soon targeted car drifting feeding a nation wide moral panic led by religious activists who framed youth culture as a public issue This book retraces the politicization of Riyadh youth and shows that far from being a marginal event car drifting is embedded in the country's social violence and economic inequality

Arab Family Studies Suad Joseph, 2018-07-10 Family remains the most powerful social idiom and one of the most powerful social structures throughout the Arab world To engender love of nation among its citizens national movements portray the nation as a family To motivate loyalty political leaders frame themselves as fathers mothers brothers or sisters to their clients parties or the citizenry To stimulate production economic actors evoke the sense of duty and mutual commitment of family obligation To sanctify their edicts clerics wrap religion in the moralities of family and family in the moralities of religion Social and political movements from the most secular to the most religious pull on the tender strings of family love to recruit and bind their members to each other To call someone family is to offer them almost the highest possible intimacy loyalty rights reciprocities and dignity In recognizing the significance of the concept of family this state of the art literature review captures the major theories methods and case studies carried out on Arab families over the past century The book offers a country by country critical assessment of the available scholarship on Arab families Sixteen chapters focus on specific countries or groups of countries seven chapters offer examinations of the literature on key topical issues Joseph's volume provides an indispensable resource to researchers and students and advances Arab family studies as a critical independent field of scholarship

Pacific Automobility Gijs Mom, 2022-09-13 The beginning of the 21st century has seen important shifts in mobility cultures around the world as the West's media driven car culture has contrasted with existing local mobilities from rickshaws in India and minibuses in Africa to cycling in China In this expansive volume historian Gijs Mom explores how contemporary mobility has been impacted by social political and economic forces on a global scale as in light of local mobility cultures the car as an adventure machine seems to lose cultural influence in favor of the car's status character

Who Writes Arab History? Joseph A. Kéchichian, 2016-09-01 At a time of profound regional and international transformations that extend beyond the political Middle Easterners in general and Arabs in particular ponder their future as well as how to best preserve and protect their interests and equally important their cultures As non Arabs interpret and opine about Arab civilization far more than indigenous thinkers how can we understand what motivates

scholars and opinion makers and how can Arab analysts highlight indigenous perspectives What are the core factors that separate non Arab scholars from their Arab counterparts Can the perceptions of nearly 500 million individuals be mislabeled so frequently and so easily and what ought to be done to repair the damage already done Do Arab thinkers bear any responsibility for what may appear to be little more than a campaign to denigrate To answer these questions this paper first offers an overview of the dilemmas involved then identifies and analyses two major concerns censorship and translation matters and finally focuses on the case of the Kingdom of Saudi Arabia to test the assertion that books authored by non Arabs many of whom shroud themselves in the cloak of authority but in reality harbor a sharp dislike if not outright hatred of Arabs dominate over works written by Arabs The paper closes with a few recommendations that call on Arab thinkers to overcome existing academic as well as journalistic prejudices

Archive Wars Rosie Bsheer, 2020-09-22 A study of the Saudi Arabian monarchy's efforts to construct and disseminate a historical narrative to legitimize its rule The production of history is premised on the selective erasure of certain pasts and the artifacts that stand witness to them From the elision of archival documents to the demolition of sacred and secular spaces each act of destruction is also an act of state building Following the 1991 Gulf War political elites in Saudi Arabia pursued these dual projects of historical commemoration and state formation with greater fervor to enforce their postwar vision for state nation and economy Seeing Islamist movements as the leading threat to state power they sought to de-center religion from educational cultural and spatial policies With this book Rosie Bsheer explores the increasing secularization of the postwar Saudi state and how it manifested in assembling a national archive and reordering urban space in Riyadh and Mecca The elites project was rife with ironies in Riyadh they employed world renowned experts to fashion an imagined history while at the same time in Mecca they were overseeing the obliteration of a thousand year old topography and its replacement with commercial megaprojects Archive Wars shows how the Saudi state's response to the challenges of the Gulf War served to historicize a national space territorialize a national history and ultimately refract both through new modes of capital accumulation Praise for Archive Wars An instant classic With incredible insight creativity and courage Rosie Bsheer peels away the political and institutional barriers that have so long mystified others seeking to understand Saudi Arabia Bsheer tells us remarkable new things about the exercise and meaning of power in today's Saudi Arabia Toby Jones Rutgers University author of Desert Kingdom How Oil and Water Forged Modern Saudi Arabia There are now two distinct eras in the writing of Saudi Arabian history before Rosie Bsheer's Archive Wars and after Robert Vitalis University of Pennsylvania author of Oilcraft Archive Wars explores with conceptual brilliance and historical aplomb the various forms of historical erasure central not just to the Kingdom of Saudi Arabia but to all modern states In a finely grained analysis Rosie Bsheer rethinks the significance of archives historicism capital accumulation and the remaking of the built environment A must read for all historians concerned with the materiality of modern state formation Omnia El Shakry University of California Davis author of The Great Social Laboratory Subjects of

Knowledge in Colonial and Postcolonial Egypt Stateless in the Gulf Claire Beaugrand,2017-12-18 The Kuwaiti population includes around 100 000 people approximately 10 per cent of the Kuwaiti nationals whose legal status is contested Often considered stateless they have come to be known in Kuwait as biduns from bidun jinsiyya which means literally without nationality in Arabic As long term residents with close geographical ties and intimate cultural links to the emirate the biduns claim that they are entitled to Kuwaiti nationality because they have no other But since 1986 the State of Kuwait has considered them illegal residents on Kuwaiti territory As a result the biduns have been denied civil and human rights and treated as undocumented migrants with no access to employment health education or official birth and death certificates It was only after the first ever bidun protest in 2011 that the government softened restrictions imposed upon them Claire Beaugrand argues here that far from being an anomaly the position of the biduns is of central importance to the understanding of state formation processes in the Gulf countries and the ways in which identity and the boundaries of nationality are negotiated and concretely enacted

Waste Works Brenda Chalfin,2023-03-06 In Waste Works Brenda Chalfin examines Ghana s planned city of Tema theorizing about the formative role of waste infrastructure in urban politics and public life Chalfin argues that at Tema s

midcentury founding a prime objective of governing authorities was to cultivate self contained citizens by means of tightly orchestrated domestic infrastructure and centralized control of bodily excrement to both develop and depoliticize the new nation Comparing infrastructural innovations across the city Chalfin excavates how Tema residents pursue novel approaches to urban waste and sanitation built on the ruins of the inherited order profoundly altering the urban public sphere Once decreed a private matter to be guaranteed by state authorities excrement becomes a public issue collectively managed by private persons Pushing self care into public space and extending domestic responsibility for public well being and bodily outputs popularly devised waste infrastructures are a decisive arena to make claims build coalitions and cultivate status Confounding high modernist ideals excremental infrastructures unlock bodily waste s diverse political potentials □□□□

Joyriding Riyadh Urbanism Cambridge Studies Introduction

In today's digital age, the availability of Joyriding Riyadh Urbanism Cambridge Studies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Joyriding Riyadh Urbanism Cambridge Studies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Joyriding Riyadh Urbanism Cambridge Studies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Joyriding Riyadh Urbanism Cambridge Studies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Joyriding Riyadh Urbanism Cambridge Studies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Joyriding Riyadh Urbanism Cambridge Studies books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Joyriding Riyadh Urbanism Cambridge Studies books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students

and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Joyriding Riyadh Urbanism Cambridge Studies books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Joyriding Riyadh Urbanism Cambridge Studies books and manuals for download and embark on your journey of knowledge?
