**Characterization of the Plebs in Shakespeare's Julius Caesar** Lisa Blanke,2013-11-05 Seminar paper from the year 2012 in the subject English Language and Literature Studies Literature grade 1.3 University of Münster English Department course Literatur und Kulturwissenschaft Shakespeare The Roman Plays language English abstract The first associations with William Shakespeare's Julius Caesar are generally the main characters Caesar and Brutus and the consequent conflict between loyalty to a friend and the common good Furthermore there are the conspirators or other important characters known from history but there is an important figure which is more essential than it seems at first sight the plebs A major part of the play is about Brutus struggle about the common good In fact he never puts this into concrete terms For the good of
