Iron Grip Strength Igs Manual:

Forthcoming Books Rose Army,1997-04 **Gorilla Grip (ADVANCED)** Rahul Mookerjee,2018-03-13 The ONLY course that will give you that CAST IRON grip with an unnatural pull to it and INHUMAN levels of RAGING ape like strength throughout the entire upper body If you re interested in grip training and have already devoured my initial course on grip strength Gorilla Grip but are looking for more well look no further First off congratulations I m assuming that since you re on this page you ve gotten past the 16 or so exercises and their variants that I ve mentioned in the initial course and that alone puts you into a very RARE category rarest of rare if I might say so part of a SELECT bunch of people that are ALWAYS looking to improve no matter how good they may get at something And that is how it should be Remember it s nigh impossible to master any exercise and the same thing holds true or doubly true for grip strength And for those of you that think you ve already got a rock solid cast iron grip due to hours of doing pull ups or lifting weights Think you ve already got finger strength that is unrivalled amongst your peers Well that s great but I guarantee you what I ve got to offer you in this course will make you think again my friend In fact I would be understating it to say that JAWS can will and literally DO drop after doing some of the exercises I mention in this course if just because of the way they quite literally leave your forearms fingers and grip feeling like pulp not to mention your shoulders upper body and core all of which get a better workout in ways different than you ve ever gotten before So you re certainly at the right place Gorilla grip X 2 or MORE levels of grip strength or in other words INHUMAN levels of strength in your wrists fingers and forearms that you never knew you could attain If folks were shying away from shaking your hand before they won t come close now Respect and CONFIDENCE in spades they say a man or a woman s grip says a lot about his her character and it s true my friend Tis so true When you ve got this sort of rugged ape like grip you ll be more confident than the rest of the folks in the room and this confidence will display itself without you meaning to from the MINUTE you shake hands with someone Not only that you ll get that look of respect from other folks as they admiringly and grudgingly in some cases and usually silently acknowledge the grip from hell you ve got THICK STRONG fingers of rebar that are EVERY bit as RUGGEDLY strong as they look in ALL directions this alone is a mind bender for most folks but you ll see what I mean when you get cracking on the exercises Hands that can handle heavy weights without concern and I don t mean the nonsense at the gyms I mean REAL heavy weights in the REAL world Such as massive stones for instance Hands and ARMS that can handle ANY situation with aplomb Wouldn t you like to live with the confidence that you had the strength to climb down the pipes running down your building in case of a fire or other emergency Well THIS course will give you that strength Massive Popeye like forearms with veins running up and down them and upper arms to boot Bicep strength you cannot get from doing curls in fact some of this stuff will give you INSANE levels of strength that you couldn t hope to achieve from YEARS of doing curls A compact powerfully built yet lean packed chest that will be the envy of all You ll NEVER feel shy again about taking your shirt off in public And all of this would be

incomplete without mentioning the core my friend Not only will all this work your CORE and LOWER BACK like NEVER BEFORE it ll also build that proverbial 12 pack that most gym goers and trainees in general crave but usually never end up getting And more and all this is just off the TOP of my head my friend Dive straight in be prepared to be nigh BLOWN AWAY
