**ISEE (Upper) Verbal Reasoning** K. Williams,2020-07 The ISEE has a Verbal Reasoning section that is composed of two different kinds of questions Synonyms and Sentence Completions Both

kinds of questions test your vocabulary and reasoning ability. Synonym questions focus on word recognition since the correct answer choices are those that have the same meaning or are closest in meaning to the word in the question. Synonyms also test your ability to reason because you must choose the word that is most nearly the same in meaning to the word in the question from among four answer choices. Sentence completion questions measure your ability to understand words and their function. Correct answers are based on clues that appear in the context of the sentence. In the Upper Level forms of the ISEE, the sentence completion answer choices are words or pairs of words that logically complete the meaning of the sentence as a whole. You have 17.5 minutes to answer 35 questions, and under time pressure it is all too common to see students fumbling about with their sentences, their vocabulary losing precious time. What is needed is to be able to look at a problem and have a "Aha! I have seen it before!" moment. And that is what this book will help you do. This book will help you learn strategies to tackle the Verbal Reasoning section. You will become well conversant with the steps to get to the correct answer, and you won't fumble even if you are not sure.

*Cracking the SSAT/ISEE* Elizabeth Silas, Reed Talada, 2000-08-29. The SSAT/ISEE is taken by 64,607 students per year. There are two levels of SSAT's Secondary School Admissions Test: a lower level test for grades 5-7 and an upper level test for grade 8 and above. Similarly, the ISEE Independent School Entrance Exam is broken down into two such levels. Like the SAT, the SSAT/ISEE tests students on reading comprehension, analogies, sentence completion, synonyms, and math skills. The SSAT was created in 1957 and is today required by about 500 schools. The ISEE is much newer and has recently become the test of choice for member schools of the Independent Schools Association of New York City. An increasing number of schools are accepting ISEE scores as an alternative to the SSAT. The book includes a complete overview of the SSAT/ISEE, practice drills for the math and verbal sections based on actual tests, four complete sample tests, strategies to find right answers by eliminating wrong ones, recognize traps that trick most students, and tips on how and when to guess. The book explains how the SSAT and the ISEE are scored very differently and how this difference affects test-taking strategy. Students need to prepare for these exams as they are as difficult to a grade schooler as the SAT is to a high school student.

*ISEE Lower Level Test Prep 2019 & 2020* Test Prep Books, 2019-09-03. ISEE Lower Level Test Prep 2019-2020 ISEE Lower Level Practice Test Questions and Study Guide.
