Ishmael A Novel English Edition:

Ishmael Daniel Quinn, 1995-05-01 One of the most beloved and bestselling novels of spiritual adventure ever published Ishmael has earned a passionate following This special twenty fifth anniversary edition features a new foreword and afterword by the author A thoughtful fearlessly low key novel about the role of our species on the planet laid out for us with an originality and a clarity that few would deny The New York Times Book Review Teacher Seeks Pupil Must have an earnest desire to save the world Apply in person It was just a three line ad in the personals section but it launched the adventure of a lifetime So begins an utterly unique and captivating novel It is the story of a man who embarks on a highly provocative intellectual adventure with a gorilla a journey of the mind and spirit that changes forever the way he sees the world and humankind s place in it In Ishmael which received the Turner Tomorrow Fellowship for the best work of fiction offering positive solutions to global problems Daniel Quinn parses humanity s origins and its relationship with nature in search of an answer to this challenging question How can we save the world from ourselves Explore Daniel Quinn s spiritual Ishmael trilogy ISHMAEL MY ISHMAEL THE STORY OF B Praise for Ishmael As suspenseful inventive and socially urgent as any fiction or nonfiction you are likely to read this or any other year The Austin Chronicle Before we re halfway through this slim book we re in Daniel Quinn s grip we want Ishmael to teach us how to save the planet from ourselves We want to change our lives The Washington Post Arthur Koestler in an essay in which he wondered whether mankind would go the way of the dinosaur formulated what he called the Dinosaur s Prayer Lord a little more time Ishmael does its bit to answer that prayer and may just possibly have bought us all a little more time Los Angeles Times **Some Other World to Find** Bruce Leonard Grenberg, 1989 **The Athenaeum** James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1884 *Melville's Evermoving Dawn* John Bryant, Robert Milder, 1997 This collection of analytical essays is the result of several conferences throughout 1991 the centenary of Herman Melville s death They survey the past and present of Melville Studies and suggest directions for the future Athenaeum and Literary Chronicle , 1884 **"The" Athenaeum** , 1887 *American Romanticism and the Marketplace* Michael T. Gilmore, 2010-02-15 This book can take its place on the shelf beside Henry Nash Smith s *Virgin Land* and Leo Marx s *The Machine in the Garden* Choice Gilmore demonstrates the profound sustained engagement with society embodied in the works of Emerson Hawthorne Thoreau and Melville In effect he relocates the American Renaissance where it properly belongs at the centre of a broad social economic and ideological movement from the Jacksonian era to the Civil War Basically Gilmore s argument concerns the writers participation in what Thoreau called the curse of trade He details their mixed resistance to and complicity in the burgeoning literary marketplace and by extension the entire economic revolution which between 1830 and 1860 transformed the United States into a market society The result is a model of literary historical revisionism Gilmore s opening chapters on Emerson

and Thoreau show that transcendental thought and language can come fully alive when understood within the material processes and ideological constraints of their time The remaining five chapters on Hawthorne and Melville contain some of the most penetrating recent commentaries on the aesthetic strategies of American Romantic fiction presented within and through some of the most astute thoughtful considerations I know of commodification and the democratic public in mid nineteenth century America Practically and methodologically American Romanticism and the Marketplace has a significant place in the movement towards a new American literary history It places Gilmore at the forefront of a new generation of critics who are not just reinterpreting familiar texts or discovering new texts to interpret but reshaping our ways of thinking about literature and culture Sacvan Bercovitch Times Literary Supplement Gilmore writes with energy clarity and wit The reader is enriched by this book William H Shurr American Literature
