The Search for Franklin. A Suggestion Submitted to the British Public. Illustrated by a Polar Chart August Heinrich Petermann, 1852 **The search for Franklin, a suggestion submitted to the British public** August Petermann, 1852 *Elihu Root Collection of United States Documents Relating to the Philippine Islands*, 1899 **Never Surrender** Mark Felton, 2013-06-30 While there have been many fine books covering the appalling experiences and great courage of the many thousands of POWs captured by the victorious Japanese during late 1941 and early 1942 escape accounts are much rarer This is due in large part to the fact that only a comparatively small number of brave souls attempted to escape to freedom rather than suffer brutality starvation and very possibly death as POWs However as *Never Surrender* vividly describes there were a significant number who took this desperate course Escapers faced challenges far more daunting than those in German hands They were Westerners in an alien hostile environment the terrain and climate were extreme disease was rife their physical condition was weak there was every chance of starvation and betrayal and if captured they faced at best the harshest punishment and at worst execution The author draws on escape attempts from Hong Kong Thailand the Philippines Borneo and China by officers and men of the British Commonwealth and US armed forces As this superbly researched and uplifting book reveals few escapers found freedom but all are inspiring examples of outstanding and indeed desperate courage The stories told within these pages demonstrate the best and worst of human spirit *The Brotherhood of the Sea* Edward Keble Chatterton, 1927 **Legislative Documents Submitted to the ...
