Barnhill,2011-08-02 Newbery Medal winner Kelly Barnhill s debut novel is an eerie tale of magic friendship and sacrifice Enter a world where magic bubbles just below the surface When Jack is sent to Hazelwood Iowa to live with his strange aunt and uncle he expects a summer of boredom Little does he know that the people of Hazelwood have been waiting for him for quite a long time When he arrives he begins to make actual friends for the first time in his life but the town bully beats him up and the richest man in town begins to plot Jack s imminent and hopefully painful demise It s up to Jack to figure out why suddenly everyone cares so much about him Back home he was practically invisible The Mostly True Story of Jack is a stunning debut novel about things broken things put back together and finding a place to belong There s a dry wit and playfulness to Barnhill s writing that recalls Lemony Snicket and Blue Balliett a delightfully unusual gem Los Angeles Times
