We know the SSAT and ISEE. The experts at The Princeton Review research the SSAT ISEE and other standardized tests each year to make sure you get the most up to date thoroughly researched books possible. We know. Students. Each year we help more than two million students score high with our courses, bestselling books and award winning software. We Get Results. Students who take our courses for the SAT, GRE, LSAT and many other tests see dramatic score improvements that have been verified by independent accounting firms. The proven techniques we teach in our courses are in this book. And if it's on the SSAT or ISEE it's in this book. We don't try to teach you everything there is to know about English and Math. We tell you only what you need to know to score high on the SSAT or ISEE. There's a big difference. In *Cracking the SSAT ISEE* we'll teach you how to think like the test makers and solve analogy and synonym problems even when you're not sure what all the words mean. Ace the reading comprehension section by learning to spot the main ideas, topic sentences and key words. Crack the general math section by learning to avoid wrong

answer choices that look correct Solve math problems by learning to turn complicated algebra problems into simple word problems Simplify the SSAT writing sample and the ISEE essay using a sure fire step by step approach This book includes four full length sample tests with questions just like the ones you ll see on the actual SSAT and ISEE
