Tapestry The Divine Artist, 2015-04-30 When I say that beauty is truth truth beauty that is what I mean Beauty in all of its forms is all the world needs Tapestry asks the question why Why do evil and suffering exist For no reason at all of course The result of a grand accident It is the recognition however and implementation of pure love and beauty that will bring the universe to its true destiny We have the power within us to right the eternal wrongs of history no matter how big the mistakes even one as monumental as the creation of metaphysical evil and suffering It is true what Leo Buscaglia declares as the final assessment of The Glass Bead Game that love is the only solution to the human existence Sometimes the impossible does come true

Jesus in the New Universe Story

Cletus Wessels,2003 At the center of the Christian tradition stands the figure of Jesus Christ a Palestinian Jew who lived two thousand years ago The background of his story is a story of creation which emerged in the ancient Jewish tradition The story of Adam and Eve their expulsion from Eden and the subsequent history of salvation is familiar to all Christians But how does this story fit in with a new cosmological story the story of an emerging universe popularly known as the New Universe Story Many Christians are disturbed by the apparent contradictions between the old story of faith and the new story of modern physics Father Wessels s challenge is to maintain the underlying reality of the biblical story of Jesus while reinterpreting that story through the lens of an emerging universe
