[My First Islamic Book for Children Under 3](#) Julia Hanke, 2020-09-09 Engaging, colorful and fun Islamic book for kids. This book is not like other Islamic books for children under 3. It is filled with good Islamic morals, manners, and stories that introduce your Toddler to essential Islamic Foundations. My First Islamic Book for Children under 3 has been created in recognition of the need for books that tell the stories of Islam for small children. Most of the Islamic educational and storybooks for children available today are either lacking in authenticity or are written in a language that is difficult for young children to understand. My First Islamic Book for Children under 3 is written in a way that toddlers and pre-school age children can easily understand. The author made these stories as authentic as possible by taking stories and information from the Quran, Tafseer, Ibn Katheer, Bukhari, Muslim, and other authentic Hadith books, and simplifying the language and adding context that children can understand without changing the intended meaning. This simple language results from an interactive reading process between the author and her then three-year-old son. The author kept editing and simplifying the text until her son was able to understand it easily. About the Author: Julia Hanke was born and raised in
