B. Documented information package: -

Our document kit comprises sample documents required for ISO 50001:2018 certification as listed below. All documents are in MS-Word format and you can edit it. You can do changes as per your company needs and within few days your entire documents with all necessary system requirements can be made ready. In the revised ISO 50001:2018, at few places, documented information are required. But for making better system, we have provided many templates from which a user can select to make own system with minor changes. Now, ISO 50001:2018 standard is not requiring manual, procedures, etc. It requires 2 type of documented information as listed below.
