Israel II Beyond The Basics Israel Basics Book 2:

The People, the Land, and the Future of Israel Darrell L. Bock, 2014-09-10 What does the Bible teach about the role of the Jewish people and the nation of Israel today What is God's plan for the future of Israel and the neighboring countries How can believers in Jesus be part of God's peace process in the Middle East The People the Land and the Future of Israel walks through the Bible's account of the role of Israel and the Jewish people both now and in the future Each contributor offers a profound insight into God's unfolding plan and purpose for the nation of Israel as the Scripture depicts them Readers will gain a deeper understanding of both current and future events in the Middle East as described in both the Hebrew Scriptures and the New Testament Features an extensive foreword by best selling author Joel Rosenberg who addresses the question Will there ever be peace for Israel and her neighbors Each chapter includes a scannable QR code that links to a short video introduction by the author of that chapter introducing its topic Discussion questions in each chapter aid book group and classroom discussion

Being Israeli Gershon Shafir, Yoav Peled, 2002-02-14 A timely study by two well known scholars offers a theoretically informed account of the political sociology of Israel The analysis is set within its historical context as the authors trace Israel's development from Zionist settlement in the 1880s through the establishment of the state in 1948 to the present day Against this background the authors speculate on the relationship between identity and citizenship in Israeli society and consider the differential rights duties and privileges that are accorded different social strata In this way they demonstrate that despite ongoing tensions the pressure of globalization and economic liberalization has gradually transformed Israel from a frontier society to one more oriented towards peace and private profit This unexpected conclusion offers some encouragement for the future of this troubled region However Israel's position towards the peace process is still subject to a tug of war between two conceptions of citizenship liberal citizenship on the one hand and a combination of the remnants of republican citizenship associated with the colonial settlement with an ever more religiously defined ethno nationalist citizenship on the other

Politics and Society in Modern Israel Adam Garfinkle, 2015-03-04 With full coverage of recent dramatic events in Israeli politics from the Rabin assassination through the May 1996 elections this work provides an up to date introduction to Israeli politics and society It seeks to convey a strong sense of everyday life in Israel the nuances and contradictions of Israeli identity the ethnic composition and institutional structure of Israeli society as well as Israeli political culture and the issues that dominate the country's domestic and foreign policy

Israel II Miss K J Frolander, 2014-05-14 God chose Israel as a prototype to demonstrate to the world His character when He is engaging with not just individuals but with a whole nation Israel is a real life object lesson as well as the Beloved Chosen People If we don't understand Israel we don't fully understand the Bible This book digs into this grand unfolding plan of a living God who is active in the lives of Gentiles and Jews individuals and nations by providing an understanding of how we came to our modern secular worldview studying God's intention in communication with the Hebrew language the underlying philosophy that led

to the Holocaust and uncovering little known stories of how God worked in the lives of the Jews throughout history Jesus the Bridegroom Phillip J. Long, 2013-11-06 Did Jesus claim to be the bridegroom If so what did he mean by this claim When Jesus says that the wedding guests should not fast while the bridegroom is with them Mark 2 19 he is claiming to be a bridegroom by intentionally alluding to a rich tradition from the Hebrew Bible By eating and drinking with tax collectors and other sinners Jesus was inviting people to join him in celebrating the eschatological banquet While there is no single text in the Hebrew Bible or the literature of the Second Temple Period which states the messiah is like a bridegroom the elements for such a claim are present in several texts in Isaiah Jeremiah and Hosea By claiming that his ministry was an ongoing wedding celebration he signaled the end of the Exile and the restoration of Israel to her position as the Lord s beloved wife This book argues that Jesus combined the tradition of an eschatological banquet with a marriage metaphor in order to describe the end of the Exile as a wedding banquet **A Basic Book Collection for Elementary Grades** ,1956 **The Watchman of Israel** ,1920 **A Basic Book Collection for Elementary Grades** American Library Association.
