Resilience Nicola Canessa, 2021-05-28 The Resilience publication is part of the outputs produced within the European project KAAU Knowledge Alliance for Advanced Urbanism www.kaau.net Erasmus program and consists of two volumes the first Resilience Intelligent Cities Resilient Landscapes offers reflections on the general framework and on the theme of resilience applied to intelligent cities and the landscape while the second volume GOA Resilient City analyses the case study of Genoa RESILIENCE is a combined word created by Manuel Gausa merging the words resilience and intelligence Intelligence is intended not only as the artificial but also as the human one though undoubtedly today the world of BigData and OpenData can help the better understand of the city and its dynamics Resilience instead is a term derived from the materials science and indicates the property that some materials have to maintain their structure or to regain its original shape after being subjected to crushing or deformation The history of making the city of Genoa safe from floods is ancient history And complex very complex It is the story of the wrong relationship between the river and the city between nature and the urban and industrial development of the capital between the flow of watercourses and their covering and cementing of the banks and beds of streams It is perhaps one of the paradigmatic examples of the senselessness of man's choices towards his environment But it is also the story of the delays of politics and institutions of bureaucracies of the system of public works in our country of an Italy more attentive to formal respect for rules than for the rules of nature In the midst of this history there are the disasters floods the dead the injured the damage of the flooding of the Bisagno torrent which with its 30 km cuts the city from north to south in one of the most built up areas of Italy to reach the sea in the Foce district **Lightness**

Catherine Meurisse, 2018-06-20 T00:00:00+02:00 In the aftermath of the murderous attack on the Charlie Hebdo offices on January 7 2015 cartoonist Catherine Meurisse struggles with the trauma of losing her friends and looks for a way to move forward with her life and her art She soon enters a dissociative state where she loses her memories especially those associated with esthetic experiences This leads her on a quest to seek beauty and lightness in the world around her with the help of guiding lights including Proust Stendhal Baudelaire and two provocative graffiti artists Throughout the book Meurisse uses her limber cartooning and dynamic writing to weave a tapestry of raw emotion and philosophical reflection laced with a strain of wry humor **Populism and The People in Contemporary Critical Thought** Alexander Stagnell, David Payne, Gustav Strandberg, 2023-01-12

Is populism the unsurpassable horizon of our own time or is it a temptation that should at all costs be resisted Who and to what end does the jargon of populism serve To answer these questions Alexander Stagnell Gustav Strandberg David Payne and their contributors trace the socio-historical significance of the concept of The People in western philosophy and its relationship to the trend of populist politics today Bringing together scholars from the fields of aesthetics critical cultural and political theory philosophy and rhetoric this volume critically explores the issues facing contemporary society today With an international team of authors each chapter speaks to a range of contexts recently affected by populism

today including Sweden Brazil Germany Austria France and the UK As political and economic establishments face a crisis of legitimacy Populism and The People in Contemporary Critical Thought reveals the shaky foundations on which the concept of The People rests Engaging with critical theory feminist theory Marxism phenomenology and psychoanalysis this collection highlights how The People comes to stand in for both belonging and exclusion enabling us to see the uses and abuses of such terminology as pressing theoretical and political concerns *Book Banning and Other Forms of Censorship* Carolee Laine, 2016-08-15 The flow of information through our modern digital world has led to many new issues and controversies *Book Banning and Other Forms of Censorship* examines how and why schools special interest groups and governments attempt to suppress information in print and online Compelling text well chosen photographs and extensive back matter give readers a clear look at these complex issues Features include essential facts a glossary additional resources source notes and an index Aligned to Common Core Standards and correlated to state standards Essential Library is an imprint of Abdo Publishing a division of ABDO

Why Language? Jacques Moeschler, 2021-08-23 There is at present no book introducing the general issue of why language is specific to human beings how it works why language is not communication and communication is not language why languages vary and how they evolved Based on the most recent works in linguistics and pragmatics *Why Language* addresses many questions that everyone has about language Starting from false claims about language and languages showing that language is not communication and communication is not language the first part *Language and Communication* ends by proposing a difference between linguistic rules and communicative principles The second part *Language Society Discourse* includes domains of language and language uses which are generally taken as extrinsic to language such as language variety discourse and non ordinary literary usages Special attention is given to figures of discourse metaphor metonymy irony and literary usages such as narration and free indirect style The reader either specialist or amateur in language science will find a first and unique synthesis about what we know today about language and what we have yet to learn sketching what could be the future of linguistics in the next decades

The Top Books of the Year Je Serai Charlie The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. Je Serai Charlie : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Je Serai Charlie : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
