**Dante's Lyric Redemption** Tristan Kay, 2016-01-28 Dante's Lyric Redemption offers a re examination of two strongly interrelated aspects of the poet s work the role and value he ascribes to earthly love and his relationship to the Romance lyric tradition of his time It argues that an account of Dante's poetic journey that posits a stark division between earthly and divine love and between the secular lyric poet and the Christian auctor does little justice to his highly distinctive and often polemical handling of these categories The book firstly contextualizes traces and accounts for Dante's intriguing commitment to love poetry from the minor works to the Commedia It highlights his attempts especially in his masterpiece to overcome normative oppositions in formulating a uniquely redemptive vernacular poetics one oriented towards the eternal while rooted in his affective and indeed erotic past It then examines how this matter is at stake in Dante's treatment of three important lyric predecessors Guittone d Arezzo Arnaut Daniel and Folco of Marseilles Through a detailed reading of Dante s engagement with these poets the book illuminates his careful departure from a dualistic model of love and conversion and shows his erotic commitment to be at the heart of his claims to pre eminence as a vernacular author Monstrous Fantasies Leila K. Norako, 2024-08-15 Monstrous Fantasies asks why medieval romances reimagining the crusades ending in a Christian victory circulated in England with such abundance after the 1291 Muslim reconquest of Acre the last of the Latin crusader states in the Holy Land and what these texts reveal about the cultural anxieties of late medieval England Leila K Norako highlights the impact that the Ottoman victory and subsequent massacre of Christian prisoners at the battle of Nicopolis in 1396 had on intensifying the popularity of what she calls recovery romance These two episodes inspired a sense of urgency over the fate of the Holy Land and of Latin Christendom itself resulting in the proliferation of romances in which crusading English kings like Richard I and anachronistic legends like King Arthur not only reconquered Jerusalem but committed genocidal violence against the Muslims These romances which as Norako argues also influenced Geoffrey Chaucer's Canterbury Tales conjure fantasies of an ascendant global Christendom by rehearsing acts of conquest and cultural annihilation that were impossible to realize in the late Middle Ages Emphasizing the tension in these texts between nostalgia and anticipation that fuels their narrative momentum Monstrous Fantasies also explores how the cultural desires for European and Christian hegemony that recovery romances versified were revived in the wake of the so called wars on terror in the twenty first century in such films as Kingdom of Heaven and American Sniper **Introducing Redemption in Christian Feminism** Rosemary Radford Ruether, 1998-01-01 Christianity begins with what appears to be an inclusive promise of redemption in Christ without regard to gender Paul proclaimed that In Christ there is no more male and female Yet Christianity soon developed a patriarchal social structure excluding women from public ministry with the argument that women were created subordinate in nature and were more culpable for sin Here distinguished feminist theologian Rosemary Ruether traces the tension between patriarchal and egalitarian patterns in Christian theology historically She then examines

key theological themes Christology the self the cross and future hope in the light of her critique The Religious Existentialists and the Redemption of Feeling Anthony Malagon, Abi Doukhan, 2019-06-27 Traditional philosophizing has generally depended upon reason as its primary access to truth Subjective experiences such as feelings the passions and emotions have typically been viewed as secondary to reason untrustworthy or both The Religious Existentialists and the Redemption of Feeling revisits how the movement of existentialism via the religious existentialists has contributed to a rethinking of the role of subjective experience in contrast to the rationalist and idealist traditions thus reframing the importance of feelings in general for the philosophical enterprise as a whole Through the considerations of a variety of thinkers this collection provides a fresh look at the contributions of twentieth century existentialists thereby re contextualizing the very notion of existentialism offering a powerful and genuine re evaluation of the significance of subjectivity and underscoring the continued relevance of the religious existentialists Redeeming Culture James Gilbert, 1997-06-21 James Gilbert integrates everything from sermons to science fiction into a strikingly original account of American cultural history after World War II By illuminating the uneasy courtship between science and religion in American popular culture Gilbert poses philosophical questions that continue to haunt us down to the present T J Jackson Lears 35 halftones Available English Poetry in the Later Nineteenth Century Benjamin Ifor Evans, 1966 The Eighteenth Century--the Intellectual and Cultural Context of English Literature, 1700-1789 James Sambrook, 1986 This new edition of James Sambrook's impressive and lucid survey of eighteenth century intellectual life gives the reader a real sense of the complexity of the age and of the cultural and intellectual climate in which its literature grew and flourished The Holy Grail on Film Kevin J.
