sheep.com      *Meditations of the Heart* Annie Josephine Levi, 1900      *A Heart Like Mary's* Edward Looney, 2017-10-06

*A Heart Like Mary's* is the perfect book for all Catholics wishing to begin or deepen their devotion to Mary. Author and Marian theologian Rev. Edward Looney guides us through thirty-one daily meditations on the unique characteristics of Mary's heart. This easy-to-read and engaging monthly devotional is full of practical lessons that address the personal challenges we all face as Mary's fellow pilgrims walking the path of faith. In the midst of feeling lost in his prayer life and relationship with God, Fr. Looney found himself reflecting on who Mary is and how he could be more like her. He learned that by daily meditating on Mary's attributes and praying for the grace to have a heart like hers, he could turn his pessimistic and critical thoughts into optimistic and charitable ones. *A Heart Like Mary's* offers readers a simple yet reflective introduction to Marian spirituality by way of a month-long daily devotional. Readers come away with a clear sense of who Mary was, how she cares for and looks after the faithful, and how we can honor her in our daily lives. Based heavily on scripture, Church teaching, and Looney's personal experience, *A Heart Like Mary's* gently teaches us how to imitate Mary's love for others and devotion to God. Each day's meditation offers simple yet reflective insight into a unique characteristic of Mary's heart. You'll discover twenty-one attributes and ten separate desires of her heart, including: A Heart That Says Yes, A Heart That Rejoices, A Heart Filled with Generous Love, A Heart Attentive to the Needs of Others, A Heart of Compassion, A Heart Desiring to Alleviate Suffering, A Heart Desiring Us to Pray, A Heart Desiring Peace. As we're guided through each of these meditations, we'll find inspiration for changing our own behavior and heart's disposition so that we too can respond to God, our loved ones, and life's obstacles with the same tenderness that Mary does. Each day provides a scriptural quote or message from one of Mary's apparitions, followed by a reflection leading us into the depths of Mary's heart and showing us how to mirror her heart. We also will be invited to call upon Mary's intercession, asking her to give us a heart like hers. Each meditation concludes with a challenge to incorporate a love for Mary into our prayer life and action toward others.      *Meditations of the heart, poems. [2 issues]*.

The themes are universal and are a calling for an increasingly mindful and compassionate world.

**The Heart of Peace** Rudolf Steiner, 2002 As a spiritual teacher Rudolf Steiner wrote many beautifully formed and inspired verses Often they were given in relation to specific situations or in response to individual requests sometimes they were created for general use in assisting the process of meditation Regardless of their origins they are uniformly powerful in their ability to connect the meditator with spiritual archetypes and realities and are valuable tools for developing experience and knowledge of other dimensions Matthew Barton has delicately translated these meditations into English many for the first time and arranged them thematically in this outstanding new series In this collection of meditations to promote courage and tranquillity Rudolf Steiner highlights the balancing harmonizing forces of the heart which are constantly under attack in our cerebral culture The verses aim to strengthen the heart by warming and enlivening thinking allowing for genuine peace of mind by drawing feeling into the dark depths of our will in order to help develop courage by nurturing a real sense of peace within the heart and by helping us to help others Together these verses provide a powerful antidote to the stresses and

strains of modern life      *Meditations on the Sacred Heart* Brother Philippe, Brother Hermenegild, 2013-02-23 Consider this meditation DEVOTION to the Sacred Heart consists in honoring with a worship of adoration love gratitude imitation and reparation the heart of Jesus which united hypostatically to the Word is the heart of God the source and fulness of graces the perfect model of all virtues and whose goodness greatness amiability and generosity are alas unrecognized on the part of men This devotion like that of the words of the cross the sacred lance the crown of thorns and a multitude of others has a double object the one sensible and material able to be perceived by the senses or represented by the imagination the other wholly spiritual but having the closest relations with it The sensible object is that heart which living and animated was the organ of the feelings of our divine Savior and which reminds us of them as being their most direct truest and most expressive symbol The spiritual object consists in those very feelings the interior dispositions of Jesus Christ his love for his Father his love and tenderness for men his joy his sorrows his wishes The Blessed Margaret Mary gives us to understand and distinguish this double object when she says The divine Master assured me that he felt singular pleasure in seeing the sentiments and love of his heart honored under the emblem of a heart of flesh as he had shown me The Church speaks in the same way in her office where we read The Sovereign Pontiff Clement XIII has authorised the feast of the Sacred Heart so that the faithful may under that symbol celebrate with more devotion and fervor the charity of Jesus Christ suffering and dying for the salvation of the human race and instituting in memory of his death the sacrament of his body and his blood While giving glory to the Sacred Heart of Jesus we celebrate the memory of the principal favors of his love towards us Let us admire here the simplicity and fitness of the means Jesus Christ has wished to make choice of The heart is in fact the most natural emblem of love goodness and whatever there is of great generous and heroic in the soul moreover it receives the impression of all the feelings we experience What Christian then could by meditation place himself in presence of the heart of Jesus Christ without recalling the sentiments of charity tenderness and compassion with which that divine Savior was filled The heart of Jesus says Pere Gautrelet represents and reminds us of the sacred humanity whose noblest organ it was and the divine pardon which penetrated it raised it to the dignity of a divine heart and imprinted the seal of divinity on all its movements and sentiments the honor paid to Jesus Christ can be formalised in that we pay to his adorable heart The end of devotion to the Sacred Heart is to acknowledge in a worthy manner the love of Jesus for us it is therefore to imitate the virtues of which he gives us an example to repair the crimes and ingratitude of men towards him particularly in the adorable Eucharist What Christian would not strive to realize that sublime end Ah how can we think of the wonders and the excess of the charity of the Son of God how can we recall to mind that that love was the cause of the humiliations of his Incarnation the labors of his life the gift which he has given us of himself in his sacrament the sacrifice he consummated on Calvary and not be drawn to love him with the greatest love All that is brought before us by devotion to the Sacred Heart Therefore whoever embraces its spirit and practice cannot but share the sentiments of St Liguori who exclaimed O all amiable heart of my Jesus

heart worthy to possess all hearts heart resplendent with the flames of the purest love O consuming fire consume all my being and give me a new life a life of grace a life of love      *Opening the Heart* Kathryn Samuelson, 2013-12 Opening the Heart consisting of 56 distinctive meditation images corresponding texts and exercises to use in combination with the images and texts is a means to find the inner peace and healing that emerges from listening to one's heart It is a tool for those looking to broaden and deepen their meditative experience As some workshop participants have said the stunning photographs and text of the images provide a way to bring openness into your life and heart go on a journey unlike any other travel into your heart with ease build a new relationship with yourself It is also a method for those seeking to find their hearts stories and bring them into the light Unique in the worlds of meditation and transformative experience these images open the gateway to perceiving the self and the world from the center point of one's being
