Redefining Myself: The beginning of my spiritual growth Nsovo Manganyi ,2022-10-01 In this book Nsovo Manganyi has outlined that redefining comes after one has identified that the title given to them has been mistaken for or they have identified that they are not functioning as they are supposed to Nsovo Manganyi is hoping to guide people who are struggling with identity crisis who do not know who they are and their value to redefine themselves By reading this book it will no longer be her redefining herself but them redefining themselves The Rats Had Never Left Abdusamaad (Sam) Karani,2023-01-05 Systemic racism underlies post colonial societies due in part to the undeniable legacy of historical racism The conquering colonist often mistakenly referred to as the settler colonist dominated the colonized especially their minds Overcoming destructive colonialism and systemic racism requires the decolonization of the mind the mutually embedded mindsets of the conqueror and the colonized Eliminating this legacy requires that we know who we are and admit to and rectify past mistakes The Rats Had Never Left draws on the lived experiences of Abdusamaad Sam Karani in Apartheid South Africa including his personal advocacy for mental health and psychology in society and the cost he paid in the process Having lived abroad in London UK and now Canada Karani shares his experiences with the destructive legacy of systemic racism Liberal democracies need to overcome the legacy of systemic racism So how do we move forward How do we keep ourselves from being stuck in the destructiveness of the blame game Enhancing tolerance is the way forward The racialized must not be reluctant to take the initiative Society s institutions police the justice system etc need to self reflect for long term change keeping in mind that power has traditionally never been shared as a natural process with society s disadvantaged
