## **Meeting Democracy Power And Deliberation In Global Justice Movements:**

*Meeting Democracy* Donatella Della Porta, Dieter Rucht, 2013 An innovative study of the internal practices of deliberation and democratic decision making in twelve Global Justice social movement groups      Social Movements Dieter Rucht, 2023 Dieter Rucht offers a theoretically and historically informed approach to social movements as a phenomenon of modern societies He links the analysis of social movements to general theories of society and processes of social change and combines three basic perspectives interactionist constructivist and process oriented ICP approach      **Meeting Democracy** Donatella Della Porta, Dieter Rucht, 2012 The concepts of power and democracy have been extensively studied at the global national and local levels and within institutions including states international organizations and political parties However the interplay of those concepts within social movements is given far less attention Studies have so far mainly focused on their protest activities rather than the internal practices of deliberation and democratic decision making *Meeting Democracy* presents empirical research that examines in detail how power is distributed and how consensus is reached in twelve global justice movement organizations with detailed observations of how they operate in France Germany Italy Spain Switzerland and the UK Written by leading political scientists and sociologists this work contributes significantly to the wider literature on power and deliberative democracy within political science and sociology      The Social Movements Reader Jeff Goodwin, James M. Jasper, 2014-10-13 Providing a unique blend of cases concepts and essential readings *The Social Movements Reader* Third Edition delivers key classic and contemporary articles and book selections from around the world Includes the latest research on contemporary movements in the US and abroad including the Arab spring Occupy and the global justice movement Provides original texts many of them classics in the field which have been edited for the non technical reader Combines the strengths of a reader and a textbook with selected readings and extensive editorial material Sidebars offer concise definitions of key terms as well as biographies of famous activists and chronologies of several key movements Requires no prior knowledge about social movements or theories of social movements      **Longing for Justice** Jennifer S. Simpson, 2014-11-05 A timely and persuasive argument for Higher Education's obligations to our democratic society *Longing for Justice* combines personal narrative with critical analysis to make the case for educational practices that connect to questions of democracy justice and the common good Jennifer S Simpson begins with three questions First what is the nature of the social contract that universities have with public life Second how might this social contract shape undergraduate education And third how do specific approaches to knowledge and undergraduate education inform how students understand society In a bold challenge to conventional wisdom about Higher Education Simpson argues that today's neoliberal educational norms foreground abstract concepts and leave the complications of real life especially the intricacies of power unexamined Analysing modern teaching techniques including service learning and civic engagement Simpson concludes that for Higher Education to serve democracy it must strengthen students abilities to critically analyse social

issues recognize and challenge social inequities and pursue justice

**Evaluating Democratic Innovations** Brigitte Geissel, Kenneth Newton, 2012 In the face of increasing political disenchantment many Western governments have experimented with innovations which aim to enhance the working and quality of democracy as well as increasing citizens political awareness and understanding of political matters This text is the most comprehensive account of these various democratic innovations Written by an outstanding team of international experts it examines the theories behind these democratic innovations how they have worked in practice and evaluates their success or failure It explains experiments with new forms of democratic engagement such as Direct Democracy Deliberative Democracy Co Governance E Democracy Drawing on a wide variety of theoretical perspectives and with a broad range of case studies this is essential reading for all students of democratic theory and all those with an interest in how we might revitalise democracy and increase citizen involvement in the political process

Handbuch poststrukturalistische Perspektiven auf soziale Bewegungen Judith Vey, Johanna Leinius, Ingmar Hagemann, 2019 Das Handbuch stellt erstmals im deutschsprachigen und internationalen Raum systematisch und vergleichend dar wie soziale Bewegungen aus einer poststrukturalistischen Perspektive analysiert werden können Die Beiträge stellen verschiedene Ansätze vor und zeigen jeweils anhand eines Beispiels aus der Forschungspraxis auf wie dieser Ansatz für die Analyse sozialer Bewegungen genutzt werden kann Durch die Anwendung alternativer Methoden die enge Verknüpfung von Theorie und Praxis und eine gesellschaftstheoretische Perspektive werden auf diese Weise neue Einsichten in den Forschungsgegenstand soziale Bewegungen möglich Das Handbuch ist Teil der Arbeit des Arbeitskreises Poststrukturalistische Perspektiven auf soziale Bewegungen des Instituts für Protest und Bewegungsforschung ipb Berlin
