Business History of Hospitals in the 20th Century Paloma Fernández Pérez, 2024-06-14 This book offers a business history of modern hospitals in the 20th century Presenting case studies from around the world it examines the long term institutional and historical evolution of hospital organization and management models applying a business history approach to do so Drawing on reports from international organizations and other historical data it explores the evolution path dependencies actors and institutions that have shaped the diversity of hospital organization and management models At the same time it analyzes the historical origins of major problems faced by today s hospitals such as cost inefficiencies lack of specialized human capital etc The contributing authors cover topics such as the history of hospital finance and accounting hospital price regulation entrepreneurship models hospital privatization and hospital governance The book will appeal to scholars and students of economic and business history and to anyone interested in the history of hospitals **The Report: Dubai 2016** Oxford Business Group, 2016-10-17 Financial services in particular is one non oil area where the emirate is starting to pull ahead with recent growth in the Islamic financial services segment fuelling the emirate s ambition of becoming the knowledge based capital of the Islamic economy in the future Meanwhile Dubai s real estate and construction sectors which were badly affected by the 2008 financial meltdown are once again thriving as the legacies of the global crisis recede and the debts incurred from that time are repaid and restructured Indeed Dubai is now firmly focused on the future with preparations for Dubai Expo 2020 in particular helping nourish its economic recovery development and growth in recent years The event is expected to attract 25m visitors over a six month period and the build up is driving development across several sectors The preparations **The Report: Dubai 2018** , Dubai has continued to meet its targets in becoming the global capital of Islamic finance nearly doubling the number of sukuk Islamic bonds listings on its exchanges since 2017 Furthermore eased policy restrictions to encourage foreign investment and the 2019 budget s continued commitment to infrastructure development ahead of Expo 2020 are expected to continue driving economic activity As one of the most diversified economies in the region Dubai continues to present growth opportunities in various sectors including tourism logistics manufacturing and education Although the emirate has benefitted from its proximity to oil and gas fields Dubai is right at the forefront of the emerging cleaner energy world and developing and promoting renewable technologies including solar energy and electric vehicles **The Report: Dubai 2019** Oliver Cornock, Near term sentiment is on the rise amongst Dubai s business leaders with the IMF forecasting a healthy GDP growth rate of 4.2% in 2019 for the emirate While not as exposed as some of its regional neighbours to the effects of fluctuating commodities prices in recent times Dubai nevertheless stands to benefit from the knock on effects of higher prices over the last year **The Report: Dubai 2015** Oxford Business Group, 2011-01-12 Already a regional and global centre for business and finance Dubai s reputation has been bolstered by the MSCI s decision to upgrade the UAE from frontier to emerging market status in 2014 while the emirate s

successful Expo 2020 bid is expected to generate myriad opportunities for private investors across a range of sectors. Construction is thriving once again driven in large part by strong retail sector growth with various projects including plans for the world's largest mall indicating that the sector will maintain its position as the emirate's biggest GDP contributor moving forward. The transport and logistics framework is set for major expansion in the coming years as well furthering cementing the emirate's status as a leading transport and logistics hub not just regionally but globally too. The continued development of Dubai's retail and hospitality offerings alongside the upgrades to its airports should help to ensure robust growth in visitor numbers from both the region and further afield.

Antimicrobial Stewardship for Nursing Practice Molly Courtenay, Enrique Castro-Sánchez, 2020-01-30 Drug resistant infections are one of the greatest threats to human health and with resistance on the rise appropriate antimicrobial stewardship AMS is more important than ever. This book written by nurses for nurses provides a clear and concise approach to good practice in this vital area. Based on published international research by the editors and international experts in AMS this new book explores all aspects of AMS. It explains the practices that ensure optimal use of antibiotics for the best clinical outcome with both minimal toxicity to the patient and minimal impact on subsequent antimicrobial resistance. The first textbook applied directly to antimicrobial stewardship for nurses it is underpinned by a competency framework endorsed by scientific and professional societies including The National Institute for Health and Care Excellence (NICE).
