Mediocrity Is Not An Option Targeting Professional Success:

Mediocrity is Not an Option Robert M. Chiusano, 2014 Author Robert M Chiusano never considered mediocrity an option and neither should you As one who climbed from an entry level engineering position to become the COO of a Fortune 500 company Chiusano s personal story will inspire and drive you to reach your full potential First he asks you to look in the mirror to improve your self awareness only then can you discover who you are and define the path toward reaching your longer term vision Then you ll be ready to recognize and adopt the skills and behaviors necessary to enable you to achieve those objectives and become a leader in your field empowered to take on and conquer every challenge that comes along Learn to respect and value yourself without bias Willingly accept ownership for your actions and outcomes Utilize the power of mentoring building networks giving back and striving to achieve a healthy work life balance Most importantly learn have fun and make a difference in everything you do The energy that comes from the passion you demonstrate will inspire those around you You will find that opportunities start seeking you out both personally and professionally all because for you mediocrity is not an option

Breakthrough Leadership Alan M. Blankstein, Marcus J. Newsome, 2020-08-25 Now is the time for Breakthrough Leadership This book was borne out of urgency We face the consequences of a raging pandemic coupled with an unprecedented call to end racial injustice COVID 19 has exposed longstanding structural inequities while at the same time offering a rare breakthrough opportunity to dismantle inequitable systems that have harmed our most marginalized students for generations Breakthrough Leadership is rooted in moral courage and calls us to act upon a new discovery or epiphany about a fundamental truth that challenges previous beliefs While this book offers examples of schools that were beating the odds pre COVID 19 as well as strategies for changing those odds in the future Breakthrough Leadership also spotlights professionals now leveraging crises like this to shape local and national priorities toward a more equitable and healthy society for our children in order to Create and sustain Equitable Learning Communities ELCs that are grounded in relational trust Establish comprehensive systems to ensure that all students thrive Implement cutting edge principles of effective curriculum instruction and assessment including culturally responsive teaching trauma informed practice and blended learning Meaningfully engage families and community Leadership from the classroom to the board room is needed to advance an agenda of equitable and successful outcomes for our students The facts stakes couldn t be starker Good leadership saves lives both in pandemics and in our profession The critical variable that determines whether or not our schools can respond adequately to the numerous challenges that they and their children face is leadership This book is about the work of such leaders In big cities small towns and rural areas a small number of principals and superintendents are showing that progress can be made when leaders have the resourcefulness and courage to address equity challenges directly The educational leaders profiled in this book have a clear sense of how to systematically build the capacity of teachers and schools to meet the needs of the students they serve I urge other leaders to learn from them so that great

schools that serve all children well will be the norm rather than the exception Pedro Noguera With all its devastation COVID 19 also presents the opportunity of the century to transform the public education system that to say the least has become stalled and stagnant in the past 50 years Breakthrough Leadership makes a significant contribution to our next phase which must be one of definable and targeted transformation of equity based learning Michael Fullan [Complete Job-Search Handbook: Third Edition](#) Howard E.
