A horizontal light blue bar with a rounded right end, featuring a red-to-white gradient semi-circle at its tip. Four small black-outlined squares are positioned on the left side of the bar.

## **Mcoe Supplemental Manual:**

**Logistics Maneuver Made Easy** James H. Henderson, 2017-05-12 This book outlines some logistical maneuvers and their doctrinal relationship to the operation and provides some new ideas The lessons are formatted in a fashion that offers the reader the doctrinal concept that the operation or function is based on and then presents new theories on how to better execute the logistical function or capability as it relates to tactical operations Even though combat maneuver may be more exciting to discuss logistical maneuver is just as effective in its results to maintain combat power And isnt that the real key to successfully sustaining any decisive action operationsto maintain combat power across the battlefield And the only way to achieve this effect is to understand the different ways to execute logistical maneuver to support the mission As I have pointed out on more than one occasion you cannot have one without the other **Military Review** ,2017 Professional Journal of the United States Army ,2017-07 □□ □□□□ □□□□□□ □□□□,2017-12-30 100 100 MTM ,1962 **The Advertising Red Books** ,2010
