Z-80/Z8000 Translator Zilog,1979 Z80/Z8000 Translator User Guide ,1979 Monitor File Translator User's Guide Sprint International Communications Corporation,1992 Translating Technical Documentation Without Losing Quality Marc Achteig,2012 Translating technical documentation such as user manuals online help and other types of user assistance is essentially different from translating other forms of documents If you translate technical documentation in the same way as you translate other texts chances are that your clients mostly technical writers will be quite unhappy with the results For example complex language that makes a novel or sales brochure interesting can be exactly what makes a user manual incomprehensible When translating technical documentation you should understand how your clients have designed their documents for clearness and simplicity Only then can your translation reflect the same principles This book provides you with a compilation of the basic technical writing rules that every technical writer follows When you adhere to the same rules as you translate it s almost guaranteed that both writers and readers will be happy with the quality of your work Audience Professional translators Image Translators ,1997 **TRADOS Translator's Workbench** ,2000 **The Sysyems Analysis Language Translator (SALT)** Howard K. Geyer,Gregory F. Berry,1985 **Data Translator User Manual** Eric L. Kintzer,Charles E. Burpee,Linda Hutchins,Kenneth Moore,Donald E. Swartwout,1977 The Version IIB Release 1 Data Translator User Manual is intended to provide a complete guide for a WWMCCS H 6000 or 600 user in the use of the University of Michigan software built to restructure IDS databases The manual contains an overview of the restructuring process guides in writing the necessary Data Translator Specifications control card set ups examples of output and error message explanations See also AD A061 491 *A Practical Guide to Localization* Bert Esselink,2000-01-01 Translation technology has evolved quickly with a large number of translation tools available In this revised addition much content has been added about translating and engineering HTML and XML documents multilingual web sites and HTML based online help systems Other major changes include the addition of chapters on internationalizatoi software quailty assurance desktop publishing and localization support There is a focus on translators who want to learn about localization ad translation technology Data Translator Version IIA, Release 2 User Manual Revision 1 Eric Kintzer,James Bodwin,William Cool,Linda Hutchins,Andrew Marine,MICHIGAN UNIV ANN ARBOR GRADUATE SCHOOL OF BUSINESS ADMINISTRATION.,1977 The Version IIA Release 2 Data Translator User Manual is intended to provide a complete guide for a WWMCCS H 6000 or 6000 user in the use of the University of Michigan software built to restructure IDS data bases The manual contains an overview of the restructuring process guides in writing the necessary Data Translator specifications control card set ups examples of output and error message explanations Author **Translation Builder User's Guide** Oracle Corporation,1997 TRADOS Translator's Workbench 2 ,1998 **How to Translate** Nicolae Sfetcu,2015-04-19 A guide for translators about the translation theory the translation process interpreting subtitling internationalization and localization and computer

assisted translation A special section is dedicated to the translator s education and associations The guide include as annexes several independent adaptations of the corresponding European Commission works freely available via the EU Bookshop as PDF and via SetThings.com as EPUB MOBI Kindle and PDF For a smart sensible translation you should forget not the knowledge acquired at school or university but the corrective standards Some people want a translation with the touch of the source version while another people feel that in a successful version we should not be able to guess the original language We have to realize that both people have right and wrong and that their only fault is to present requirement as an absolute truth Teachers agree at least on this principle If a sentence is ambiguous the translation must also be There is another critical less easy to argue based on an Italian phrase with particularly strong wording Traduttore traditore This critique argues that any translation will betray the author s language spirit style because of the choices on all sides What to sacrifice clarity or brevity if the formula in the text is brief and effective but impossible to translate into so few words with the exact meaning One could understand this criticism that it encourages us to read in the text It seems obvious that it is impossible to follow this advice into practice

Translating Technical Documentation Successfully Marc Achteleg, 2020-10-25 Translating technical documentation such as user manuals online help and other forms of user assistance is fundamentally different from translating other documents For example using rich and diverse language which can make a novel or sales brochure more interesting can make a user manual just incomprehensible When translating technical documentation you should understand how its writers have designed the document for clearness and simplicity Only then can your translation reflect the same principles and achieve the same high level of quality This book provides you with a compilation of the basic technical writing rules that every trained technical writer follows If you adhere to the same principles in your translations it s almost guaranteed that both the writers your clients and the readers your clients clients will be pleased with the quality of your work Topics covered General rules for writing in a simple concise and unambiguous way Rules on the sentence level such as rules for sentence length sentence structure word order repetitions syntactic cues and more Rules on the word level such as rules for finding short simple common words using strong verbs and avoiding overblown and filler words FAQ on grammar and word choice that often arise when writing technical documentation
