

11th  
Edition

A photograph of a laboratory setting featuring three petri dishes. The foreground dish is filled with a vibrant blue agar medium. Behind it, a dish with red agar is visible, and to the right, a dish with yellow agar. A glass dropper is positioned above the red dish, and a white rectangular object, possibly a pipette tip box, is on the right. The background is a soft-focus view of a laboratory with white equipment.
