F. Noam Chomsky, "The Israel Lobby?" <i>ZNet</i> , 28 March 2006 (excerpts)	111
G. Mark Mazower, "When Vigilance Undermines Freedom of Speech," <i>Financial Times</i> , London, 3 April 2006 (excerpts).....	112

In mid-March, Harvard University's John F. Kennedy School of Government posted on its Web site, as part of its Faculty Research Working Papers series, an 81-page 54,000-word study entitled "The Israel Lobby and U.S. Foreign Policy" by political scientists John J. Mearsheimer of the University of Chicago and Stephen M. Walt of the Kennedy School, where he is also academic dean. The paper unleashed a storm of controversy, generating condemnations from congressmen, philanthropists, the editorial boards of leading newspapers, and other academics; threats to withdraw funding were reportedly lodged by Harvard University donors. Within days, Harvard University had removed its logo from the study (later, the Kennedy School's Web site, which heretofore had posted comments on working papers only by its own faculty members, carried a 15,000-word response from the Law School's Alan Dershowitz). Meanwhile, an edited (15,000-word) version of the study, prepared for and rejected by the Atlantic Monthly, was published by the London Review of Books (LRB).

Most of the attacks on the Mearsheimer-Walt study came from pro-Israeli sources, though there were also a number of critiques from Arab academics and traditional Israel critics who faulted what they saw as its implied exoneration of U.S. responsibility for its Middle East policies. Increasingly, however, the debate—particularly in the British and international media and on the Internet—began to focus less on the study itself than on the implications of

Mearsheimer And Walt Report:

Toward a Critical Rhetoric on the Israel-Palestine Conflict Matthew Abraham, 2015-07-01 This edited collection brings together a group of rhetoricians seeking to develop productive ways to discuss the Israel Palestine conflict while avoiding the discursive impasses that so often derail attempts to exchange points of view **The Israel Lobby and U.S. Foreign Policy** John J. Mearsheimer, Stephen M. Walt, 2007-09-04 Describes how the remarkable level of material and diplomatic support that the United States provides to Israel is due to the influence of the Israel lobby which has a far reaching impact on America's foreign policy decisions throughout the Middle East Genre and the Performance of Publics Mary Jo Reiff, Anis Bawarshi, 2016-03-01 In recent decades genre studies has focused attention on how genres mediate social activities within workplace and academic settings Genre and the Performance of Publics moves beyond institutional settings to explore public contexts that are less hierarchical broadening the theory of how genres contribute to the interconnected and dynamic performances of public life Chapters examine how genres develop within publics and how genres tend to mediate performances in public domains setting up a discussion between public sphere scholarship and rhetorical genre studies The volume extends the understanding of genres as not only social ways of organizing texts or mediating relationships within institutions but as dynamic performances themselves By exploring how genres shape the formation of publics Genre and the Performance of Publics brings rhetoric composition and public sphere studies into dialogue and enhances the understanding of public genre performances in ways that contribute to research on and teaching of public discourse **The Koch Papers** Edward I. Koch, Ed Koch, Rafael Medoff, 2009-03-17 For more than three decades Ed Koch has been one of America's most interesting and outspoken political figures In this provocative new book Koch with Rafael Medoff guides readers through the major battles in his life long fight against anti-Semitism Interviews speeches new essays never before published personal correspondence and more highlight his leadership on campuses in the media on the streets of New York City and in the halls of power in Washington DC The book also features personal letters from Henry Louis Gates former President George Bush and other prominent figures Koch will reveal startling information for the first time here and his writings are controversial piercing teasing and questioning This book will ignite discussion for years to come The Case Against Israel's Enemies Alan Dershowitz, 2008-09-29 Israel is seriously under attack from political academic religious and military enemies who are making vociferous threats against its continued existence In this important new book Dershowitz gives pro Israel supporters the ammunition necessary to defend themselves Adbusters, 2007 **We Are Not One** Eric Alterman, 2022-11-22 A bestselling historian uncovers the surprising roots of America's long alliance with Israel and its troubling consequences Fights about the fate of the state of Israel and the Zionist movement that gave birth to it have long been a staple of both Jewish and American political culture But despite these arguments significance to American politics American Jewish life and to Israel itself no one has ever systematically examined their history and explained why they

matter In *We Are Not One* historian Eric Alterman traces this debate from its nineteenth century origins Following Israel's 1948-1949 War of Independence called the nakba or catastrophe by Palestinians few Americans including few Jews paid much attention to Israel or the challenges it faced Following the 1967 Six Day War however almost overnight support for Israel became the primary component of American Jews collective identity Over time Jewish organizations joined forces with conservative Christians and neoconservative pundits and politicians to wage a tenacious fight to define Israel's image in the US media popular culture Congress and college campuses Deeply researched *We Are Not One* reveals how our consensus on Israel and Palestine emerged and why today it is fracturing

A Palestinian Christian Cry for Reconciliation Naim Stifan Ateek, 2008 An analysis of the conflict over land between Palestine and Israel by a Palestinian Christian Arab who is also a citizen of Israel The background is clear Jerusalem has been conquered and re-conquered more than 37 times The latest conquest in 1967 was by the Israeli army After the war Israel took in not only the 5 square kilometers of Arab East Jerusalem but also 65 square kilometers of surrounding open country and villages most of which never had any municipal link to Jerusalem Overnight they became part of Israel's eternal and indivisible capital The history of Jerusalem has been written with blood The first part of this sequel to *Justice and Only Justice* focuses on events since the Intifada of 1987 including the violence that has come from Israel's aggression and from the use of suicide bombers by Palestinians The second part of the book draws on scripture lifting up biblical figures such as Samson Jonah Daniel and Jesus as it examines issues of the land its meaning and its ownership In the final section Ateek presents a strategy to achieve peace and justice nonviolently that will promote justice for the Palestinians and security for both Israel and Palestine

You Decide! 2007 John T. Rourke, 2007 No country no culture no person today is untouched by what happens in the rest of the world Technological innovation environmental degradation economic gain each have distinct forms of expression But this marvelous diversity of insight has the potential for inspiring dialogue which can enrich everyone's pursuit of wisdom All faith traditions turn to compassion as a guiding principle for living a good life It is the task of all people with an aspiration to spiritual perfection to affirm the fundamental value of the compassion In this way we can truly develop a deep recognition of the value of other faiths and on that basis we can cultivate genuine respect In *Toward a True Kinship of Faiths* the Dalai Lama also explores where differences between religions can be genuinely appreciated without serving as a source of conflict The establishment of genuine harmony is not dependent upon accepting that all religions are fundamentally the same or that they lead to the same place Many fear that recognizing the value of another faith is incompatible with having devotion to the truth of one's own Nevertheless the Dalai Lama profoundly shows how a sincere believer can with integrity be a pluralist in relation to other religions without compromising commitment to the essence of the doctrinal teachings of their own faith An issue of central importance for the Dalai Lama personally and for the entire world in general *Toward a True Kinship of Faiths* offers a hopeful yet realistic look at how humanity must step into the future

U.S. News & World Report, 2006 [Articles of Faith](#) Neil

Berry, 2008 This is a study of British literary reviews and their editors among them the pioneering Edinburgh Review the New Statesman and the London Review of Books This new edition includes an afterword that discusses the ferocious controversy precipitated by the London Review of Books when in 2006 it published a gigantic polemic by the American political scientists John Mearsheimer and Stephen Walt on the subject of America's Israel Lobby It also discusses the kinship between the London Review and its transatlantic counterpart the New York Review of Books focusing on how the latter became drawn into the controversy and how the two reviews have together played a key role in opening up the vexed question of the special relationship between Israel and the U S **The New York Times Magazine** , 2007 **The New Yorker** Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell White, Rea Irvin, Roger Angell, 2007

Territoriality and the Westernization Imperative Claude V. Chang, 2008 Coexistence in an atmosphere of mutual respect in a pluralist world order has become an even greater challenge in the practice of international relations since the murderous acts committed by al Qaeda on September 11 2001 9 11 that demanded justice This book looks beyond today's popular narratives Dr Chang explores the extent to which the tragedy of 9 11 has been exploited by the neoconservative controlled U S administration as opportunity to launch its grand strategy for creating an American centric order necessary for the continuation of U S hegemony in the twenty first century Specific controversial concerns are extensively examined within the historical and theoretical context of territoriality and power The state of the American economy the Arab Israel conflict and the invasion of Iraq and its aftermath are treated as interrelated issues and examined in terms of the Westernization imperative inherent in the grand strategy that principally requires the containment of an emerging China

Middle East Report , 2008 **Journal of Palestine Studies** , 2007 A quarterly on Palestinian affairs and the Arab Israeli conflict **The Big Lie** David Solway, 2007 Comprises two lengthy essays explicating Solway's response to the attacks of 9 11 which caused him to reassess his dogmatic left liberal anti American and anti Zionist worldview The first essay reflects on the threat posed to Western civilization by a militant Islam a theologically inspired terrorist movement and on the ideological capitulation of the liberal and democratic West vis vis this threat The second essay On Being a Jew pp 89 244 discusses the meaning of Judaism the complex nature of Islam the demonology of antisemitism as directed against the Jewish diaspora in Europe especially and the Jewish state and the Middle East conflict Warns that terror and antisemitism are intimately related and the weakness of the West's response to the former and the waxing strength of the latter are indicators that we are living in a faltering society Muslim hostility toward the Jews and Israel is centuries old and not simply a reaction to the founding of the State of Israel in 1948 The real conflict in the Middle East is not over borders or Palestinian self determination but over the right of the Jewish people to exercise its sovereignty in its ancestral homeland Deplores the fact that not only has the Islamic world adopted Western antisemitism but the West is also adopting Islamic style antisemitism disguised as anti Zionism and is blind to the danger it poses to everything the West stands for **The Nation** , 2008 **Zionism**,

Militarism, and the Decline of US Power James F. Petras, 2008 Challenging the claims of Zionist apologists who argue that Israel is just another lobby this book examines major policies dealing with U S Saudi military sales U S intelligence estimates of Iran s non military nuclear energy policy and Congressional Middle East policy votes in 2007 2008 The Transparent Cabal Stephen J. Sniegowski, 2008 Although it is generally understood that American neoconservatives pushed hard for the war in Iraq this book forcefully argues that the neocons goal was not the spread of democracy but the protection of Israel s interests in the Middle East Showing that the neocon movement has always identified closely with the interests of Israel s Likudnik right wing the discussion contends that neocon advice on Iraq was the exact opposite of conventional United States foreign policy which has always sought to maintain stability in the region to promote the flow of oil Various players in the rush to war are assessed according to their motives including President Bush Ariel Sharon members of the foreign policy establishment and the American people who are seen not as having been dragged into war against their will but as ready after 9 11 for retaliation

Mearsheimer And Walt Report Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has are more apparent than ever.
