## INSTRUCTION MANUAL

KENWOOD CORPORATION

This instruction manual is for some models. Model availability and features (functions) may differ depending on the country and sales area.

### *About the supplied remote control*

Compared to standard remote controls, the remote control supplied with this model has several operation modes. These modes enable the remote control to control other KENWOOD DVD players. In order to effectively use the remote control it is important to read the operating instructions and obtain a proper understanding of the remote control and how to switch its operation modes (etc.). Using the remote control without completely understanding its design and how to switch the operation modes may result in incorrect operations.
