Kuan Yin Reiki Manual:

Essential Reiki Teaching Manual Diane Stein, 2007-06-01 Reiki master and best selling author Diane Stein has been a dedicated hands on healer since 1988 Stein believes strongly that this powerful healing art once a closely guarded secret tradition should be accessible and available to all Since she began teaching in 1990 Stein has initiated thousands of students in all three levels of Reiki healing Through these efforts she developed a comprehensive teaching method that encompasses the fundamentals of this ancient system The ESSENTIAL REIKI TEACHING MANUAL equips the Reiki initiate with the practical tools needed for launching a Reiki healing practice leading a Reiki workshop and becoming a more effective Reiki practitioner This hands on instructional guide together with the digitally re mastered DIANE STEIN S ESSENTIAL REIKI WORKSHOP DVD is the next best thing to a personal teaching session with Diane Stein herself [The Big Book of Reiki Symbols](#) Mark Hosak, Walter Luebeck, 2006 Written in a remarkably precise and lucid style by two foremost authors on Reiki this compendium reveals indispensable information of tremendous spiritual value including the dedication rituals necessary for the practice of Reiki as well as the complex overall healing system **Reiki: Universal Gift of God's Healing Love Level I and II Training Manual** Eileen Curteis, 2011 After seventeen years as a practitioner and teacher of Reiki Sister Eileen has been astonished by the sheer number of people who have continued to stream through the door People of all ages and traditions have come seeking their healing and finding it as Eileen did when she first embarked on this foreign road that soon became home to her Eileen has come to recognize through her many years of practice that there is an inherent healing power within each of us and that the gift of Reiki is able to activate it In her training manual Eileen brings with her a core community of Reiki practitioners from different traditions and backgrounds that journey alongside her and recognize as she does the simplicity wonder and beauty of God s universal gift for our time The healing stories are too numerous to count but she does include specific testimonials within her training manual that speak for the thousands of others who have been healed through the doorway of Reiki In this way Eileen s Level I and II training manual becomes a living testimony as she thoroughly covers all the information required to be a successful and competent Reiki practitioner Written with inspiration and clarity Eileen takes the reader on an amazing journey into the dynamic world of the inner self Like a fresh current of air she presents her material in an appealing and easily digestible manner The uniqueness of Eileen s Reiki training manual lies in her ability to weave the Christ conscious healing dimension into it just as an alchemist would when producing gold In this way Eileen shows how the revered eastern practice of Reiki discovered by Dr Mikao Usui a Japanese Buddhist in the early 20th century can blend perfectly with a Christian heritage of healing where the one enhances the other At the same time she shows how this simple profound method of healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone Often people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully Others go away from the treatment or training

feeling restored refreshed and renewed Reiki the universal Life Force Energy of God is not a new invention or modern day fad Its roots are planted deep in ancient history In the Old Testament Life Force Energy was spoken about eloquently and has been pulsating through the whole of creation from the beginning of time Even science and the world of medicine are looking at this complementary form of healing called Reiki with fresh new eyes Its worldwide impact can no longer go unnoticed
