SECTION – A

1. Select and write the correct answers for the following multiple choice type of questions :

[10]

- (i) "If two systems are each in thermal equilibrium with a third system, they are also in thermal equilibrium with each other." This statement refers to :
 - (a) zeroth law of thermodynamics
 - (b) first law of thermodynamics
 - (c) second law of thermodynamics
 - (d) Carnot's law
- (ii) In Bernoulli's theorem, which of the following is constant?
 - (a) Linear momentum
 - (b) Angular momentum
 - (c) Mass
 - (d) Energy

Multiple Choice Questions in Physics S. Mohan,2024-01-18 Are you preparing for competitive examinations in the field of physics such as University Examinations GATE NET or SLET If so success is within your reach with our comprehensive guide Multiple Choice Questions in Physics In today s competitive academic landscape multiple choice tests are a common hurdle that every aspiring physicist must overcome While most are familiar with this format it takes more than

just subject knowledge to excel in these exams It requires precise test taking skills and strategies Our book is designed to equip you with the knowledge and techniques needed to triumph in these challenging assessments Whether you ve acquired some background in physics through self study leisure reading or coursework our book will help you consolidate your understanding You ll review the fundamentals explore sample materials and dive into recommended textbooks at the university level What sets our book apart is its focus on preparing you for the intricacies of competitive multiple choice questions Inside you ll find essential advice such as managing your time efficiently postponing answers to tough questions and the importance of always attempting every question Plus we ll guide you on marking your answers clearly and neatly as they ll be scored by an optical scanner And remember multiple choice questions often trick test takers with seemingly correct wrong answers so we ll teach you how to consider all possibilities before making your final choice Success in these examinations requires meticulous planning and preparation Our book is here to provide you with the necessary tools to demonstrate your knowledge across a range of physics topics Whether you re striving for personal or professional goals Multiple Choice Questions in Physics will be your trusted companion on the journey to success Don t leave your success to chance let our book empower you to conquer your physics examinations Start preparing effectively manage your time wisely and increase your chances of achieving your academic and career aspirations Good luck in your venture to excellence
