Initial setup instructions

This system supports only batteries specially designed for this specific system and manufactured by Lenovo or an authorized supplier. The system does not support unclassified/batteries or batteries designed for other systems. If an unclassified battery or a battery designed for another system is installed, the system will not charge.

- Attention:**
- Lenovo has no responsibility for the performance or safety of unclassified batteries, and provides no warranty for failures or damage arising out of their use.
 - This computer is equipped with built-in battery pack. If you need to remove or replace the battery, contact your local Customer Support Center.

1. Connect to power. Ensure that all power cord connectors are securely and completely plugged into receptacles.

2. Press the power button to turn on the computer.
3. Configure the operating system following the on-screen instructions to complete the initial setup. This process takes several minutes.

Additional information about using your Lenovo computer is in the User Guide. See "Accessing your User Guide" later in this document.

Accessing your User Guide
