**Joomla! 4 BASIC TRAINING** Sharon Lee Hall, Brandon Batie, Philip Cave, 2022-01-15. Contains comprehensive information about the new JOOMLA 4 to help you become a successful and efficient website administrator. The book contains 15 powerful Chapters including 64 Exercises within 375 pages and guides you step by step through the various tasks required to create a JOOMLA 4 website and make it accessible online. The book is full of descriptions, helpful discussions, and precise step by step guides to help you create a JOOMLA 4 website and add content.

**JOOMLA 4 BOOTS ON THE GROUND BASIC TRAINING** is the first in a series of topical books called Boots on the Ground that will address many different subjects and areas of expertise as applies to administration of a Joomla 4 website. This book will help you get quickly started as a JOOMLA 4 administrator and demonstrates how to create categories, articles, menus, and content specific modules, all of which make up a JOOMLA 4 website.

**JOOMLA 4 BOOTS ON THE GROUND BASIC TRAINING** begins with some general information about JOOMLA and then dives right into the creation of a website, hosting location, followed by complete instructions on how to actually install JOOMLA 4 on two different types of hosting server. Once installed, there is a Fast Track Double Time Start chapter that will demonstrate the basic functions that deal with creating content. This chapter is intended to quickly introduce you to fundamental tasks that must be performed by the administrator. The book further explains detailed information about categories, articles, modules, menus, and templates. Every component included in the default installation is explained as to their function and what role they perform in generating the different types of website content. This book is a perfect resource for the JOOMLA 4 beginner or novice user that wants to quickly sharpen their skills as an administrator. Written in layman's terms without any technical mumbo jumbo, there are plenty of practical exercises that guide you through every detail necessary to create content for the website. For more experienced JOOMLA users, the book will introduce the new methods and techniques needed for administration of websites created in Version 4.
