A Joshua Generation Molly Hardin,2015-11-25 Joshuas life journey held hardships tests and devastation As he faced these difficult times he experienced pressure to compromise his faith in God and his determination to see a promise fulfilled A glimpse of Joshuas life is captured over a span of five books that record his growth from captive to soldier to servant to leader through triumph and failures during this lifelong journey Todays world is desperate for students to go to their schools their homes their communities and even their churches and stand on the boundary lines and declare that they shall not be moved someone who will shout above the chaos proclaiming that the answers are in black and white and they will offer no compromise This culture is hopeless until our youth draw the line in the sand teaching the truth about what is right and what is wrong not diluting it with the shifting standards of this world If you have ever experienced the absence of moral leadership and have felt that you were too young to make a difference this study is just for you Join Molly Hardin in this eight week interactive study as she shows how the youth of today can take on the responsibility of effective leadership Hardin has taken practical leadership strategies and combined them with the life example of Joshua compiling a curriculum for young people to use as a guide for developing their God given gifts to lead their generation A Joshua Generation A Study Guide challenges young men and women to develop into the leaders that God created and destined them to be

Old Testament Study Guide, Pt. 1 Randal S.

Chase,2010-12-01 Old Testament Study Guide Pt 1 Genesis to Numbers This volume is the first of three on the Old Testament It begins with a discussion of the importance of studying the Old Testament and the role of Jesus Christ in the Plan of Salvation and His selection as our Savior in the premortal council in heaven We read concerning the process of creation the placing of Adam and Eve in the Garden of Eden and their fall into mortality We learn briefly about Cain and Abel followed by brief discussions of all the patriarchs from Adam to Abraham Isaac and Jacob We follow the story of Joseph in Egypt followed by the migration of Jacob s family to that land for survival We read of the rise of Moses the Exodus and the events at Mt Sinai Then we study the rebellion of the children of Israel and their wandering in the wilderness for 40 years The cover features a beautiful image of Abraham s Journey from Ur to Canaan painted by Jozsef Molnar in 1880 *Bible Class for Adults and Youth* Bible Sermons,2024-11-04 The book of Joshua culminates the redemption begun in Exodus Possession is the key word here Although God granted them the land they had to fight to take it and enjoy it Moses had taught the people that success depended on their obedience to the Word God chose Joshua for this mission His name which means savior evokes the Lord Jesus Christ In contrast Moses symbolized the law which alone cannot save so Joshua replaced him From this book emerge vital lessons about our spiritual warfare to enjoy the blessings that God has granted us the faithfulness of God
