MSU Contributions to International Business and Innovation Tamer Cavusgil,2009-01-27 Features essays in marketing and international business This book illustrates how individual research streams whose foundations were established during the doctoral program took off and became primary areas of specialization for individual alumni

Succession in Family Businesses Katharina Heinrichs,2014-04-08 Succession is inevitable and vital for the longevity of family businesses But what do we know about succession in family businesses and where do we go from here How does the interaction of family and business impact on succession And which roles play identity and family member identification during the succession process This book expands our knowledge on succession and prepares the grounds for a holistic view of succession in family businesses Its first contribution is a systematic replicable and scientific review and consolidation of the theoretical and empirical literature on succession of the last 18 years into a transparent logical and in depth framework Furthermore by analyzing the business and the family dimension in the context of succession this book aims at detecting different succession patterns in family businesses and analyzes which factors influence the nature of successful succession processes Besides its scientific contribution this book helps family businesses and business families to better understand mechanisms happening during succession and enables them to identify and to understand their individual succession pattern The findings of this book are based on a qualitative study conducted in the German Wine Industry The sample consists of 21 family owned and managed German wineries being on average in their 11th generation of existence 37 semi structured interviews held with both generations of one family if possible translated into 695 pages of raw data This data was coded and analyzed following a grounded theory approach **Multinational Enterprises and Emerging Economies** Klaus

E.Meyer,2020-03-28 Guided by the overarching question how and why does the emerging economy context matter for business this collection brings together key contributions of Klaus Meyer on multinational enterprises MNEs competing in and originating from emerging economies The book also explores how outward investment strategies contribute to building internationally competitive MNEs *Research Projects for Business & Management Students* Siah Hwee Ang,2021-01-27 This second edition of *Research Projects for Business and Management Students* provides students undertaking extended research with a foundation upon which to build their practice The author sets out each stage of a research project systematically to allow you to follow along and build an understanding of the processes involved in carrying out in depth pieces of research as well as the functions of commonly used research methods Conversation boxes throughout will also help situate your learning by providing examples of commonly asked questions challenges that may occur while you carry out your research and guidance on how to answer them Professor Siah Hwee Ang is Professor of International Business and Strategy inaugural Chair in Business in Asia and Director of the NZ s Southeast Asia Centre of Asia Pacific Excellence at Victoria University of Wellington New Zealand *Academy of Management Perspectives* ,2009 'Making Sense' of Human

Resource Management in China Malcolm Warner, 2013-09-13 This edited work attempts to make sense of recent developments in the field of Human Resource Management in the People's Republic of China. It attempts to see how the paradoxes and contradictions engendered by contemporary Chinese society are being resolved in the enterprises and workplaces of the Middle Kingdom. The book starts with an overview of the literature then follows with a selection of micro-oriented concerns with topics like recruitment and retention then macro-oriented empirical studies a number of the latter dealing with strategic as well as performance issues with last those comparing sets of societal cultural values. It attempts a synthesis of what has emerged from recent research on the harmonious society. These contributions from authors based in universities in eight countries in Australia, Canada, China, Hong Kong, Japan, Taiwan, United Kingdom, and USA cover a wide range of research on HRM from the micro to the macro. Six of them teach and/or research at campuses on the Mainland. Their empirical field-based research covers the last half decade and presents a robust picture of both what practitioners have adopted and how researchers have tried to make sense of what they have investigated. This book was based on a special issue of *Intl Journal of Human Resource Management* *Ulrich's International Periodicals Directory* Carolyn Farquhar

Ulrich, 1998 The Routledge Companion to International Human Resource Management David Collings, Geoffrey Wood, Paula M. Caligiuri, 2014-11-13 International human resource management (IHRM) is a key area of research in the sphere of international business and management. Described as a field in its infancy in the 1980s, IHRM has quickly advanced through adolescence and into maturity. Today it is a vibrant and diverse discipline which boasts a large and active body of researchers across the globe. This volume examines cutting edge themes with the input of contributions from both established and emerging scholars. *The Routledge Companion to International Human Resource Management* gives a state of the art overview of the key themes, topics and debates in the discipline with valuable insights into directions for future research. Drawing on a large and respected international contributor base and with its focus on mature and emerging markets, this book is an essential resource for researchers, students and IHRM professionals alike Systems and Computer Technology Yunfei Chen, Xiaodong Liu, Lipo Wang, Chunlei Ji, Qiang Sun, Yuan Ren, Xin Wang, 2015-09-17 This volume consists of papers presented at the 2014 International Symposium on Systems and Computer Technology (ISSCT 2014) Shanghai, China 15-17 November 2014. The demand for systems and informatics have been constantly increasing as more and more computer applications have been built. Great efforts have been made to improve the state of the art *Index Guide to College Journals* Suzanne Milton, Elizabeth Malia, 1999-01-21 The *Index Guide to College Journals* is a simple one-volume work that will save time and energy. Librarians and library users alike will find this work an efficient reference source indexing approximately 16,000 journal titles represented in 48 core indexes used in college and public libraries. Emphasis is on English language sources to best facilitate undergraduate level research and to represent popular journal usage **Ulrich's Periodicals Directory 2003** Edgar H.
