Journalism Amp Mass Communication Educator:

Exploring Mass Communication Vincent F. Filak, 2023-11-28 Vincent F. Filak named next editor for Journalism and Mass Communication Educator. *Exploring Mass Communication* examines the many paths that led to our digital media world and how digital media both connects and disconnects us. While providing the need to know concepts, history, and theories, Vincent F. Filak urges students to critically think about how media affects them and how they can best engage with media to improve their everyday lives. Through Filak's conversational and personable style, the text interweaves inclusivity and diversity throughout, presenting a modern and fresh approach that today's students will connect with. Journalism Education, Training and Employment Bob Franklin, Donica Mensing, 2010-12-14 This edited volume of studies by respected international scholars describes the diverse issues journalism educators are grappling with and the changes they are making in purpose and practice.

Convergent Journalism: An Introduction Vincent F. Filak, 2024-03-04 Bringing together industry experts from across platforms and journalism specialisms, *Convergent Journalism: An Introduction* is the pioneering textbook on practicing journalism in today's multimedia landscape. *Convergent Journalism* combines practical skills with a solid ethical framework. Each chapter is written by an expert in the field and features lively examples, exercises, and breakout boxes to aid learning and retention. Written from the perspective of a responsible and audience-centric form of journalism and demonstrating ways journalists can use new media tools as both senders and receivers, this fourth edition features completely revised chapters on social media, digital journalism, and law. Additional discussion questions and exercises in every chapter. Updated examples throughout. This book is an invaluable resource for students enrolled in courses such as Convergent Journalism, Digital Media, Online Journalism, and Multimedia Journalism.

Makers of the Media Mind Wm. David Sloan, 2014-07-10 *Makers of the Media Mind* is a collection of analytical essays focusing on the most important and original ideas contributed to the field of mass communication by journalism educators. Divided into six sections representing the most prominent areas of

specialization in the field this text serves two significant purposes first it acquaints readers with the lives of preeminent journalism educators second it provides concise discussions and evaluations of the most compelling ideas those educators have to offer The editor of and contributors to this text contend that ideas cannot be appreciated fully without an understanding of the creators of those same ideas They hope that this volume s coverage of creators as well as concepts will demonstrate that journalism education has played a critical role in the making of the media mind
