Mindfulness in Good Lives Mike W. Martin, 2019-10-23 Mindfulness is celebrated everywhere especially in health psychology and spiritual practices but also in the arts business education environmentalism sports and the use of digital devices While the current mindfulness movement may be in part the latest fad in a narcissistic and therapeutic culture it is also worthy of greater philosophical attention As a study in ethics and moral psychology Mindfulness in Good Lives remedies the neglect of this subject within philosophy Mike W Martin makes sense of the striking variety of concepts of mindfulness by connecting them to the core idea of value based mindfulness paying attention to what matters in light of relevant values When the values are sound mindfulness is a virtue that helps

implement the kaleidoscope of values in good lives Health psychologists who currently dominate the study of mindfulness often present their research as value neutral science Yet they invariably presuppose moral values that should be made transparent These values which lie at the interface of morality and mental health form bridges between philosophy and psychology and between literature and spirituality The Mindful Librarian Richard Moniz, Joe Eshleman, Jo Henry, Howard Slutzky, Lisa Moniz, 2015-11-26 The Mindful Librarian Connecting the Practice of Mindfulness to Librarianship explores mindfulness approaching it in such a way as to relate specifically to the many roles or challenges librarians face Coinciding with the increased need to juggle a variety of tasks technologies ebooks and databases the new Association of College it has been connected to various religious traditions in a wide variety of ways for centuries most notably Buddhism In the latter part of the 20th century however a secular version was popularized largely by the work of Jon Kabat Zinn and his work on MBSR Mindfulness Based Stress Reduction at the University of Massachusetts s Medical School The medical benefits and the overall quality of life improvements from its adoption have exploded in recent years in particular the last two decades which have seen mindfulness traditions incorporated into education to a greater degree and with very positive results Presents the only current LIS book that covers this topic in a way that applies directly to librarians Provides a topic that will be appealing to librarians as it speaks to the pressures of budget cuts and consumer culture being felt across the academy Seeks to improve the joy and quality of life that librarians and library science students experience in their personal lives and jobs
