Extreme gaming!
+ see March 25, 2010, 03:12:05 AM +

After reading recently about a wargamer who, due to space constraints, had started basing his figures on magnets and using the fridge door, I wondered, what extremes have you gone to in the pursuit of your hobby?

These are the people who have posted in this topic. The stars and rank depend on how many posts they have made. The more posts, the higher the ranking!
