Doyle,2015-02-23 In recording from time to time some of the curious experiences and interesting recollections which I associate with my long and intimate friendship with Mr Sherlock Holmes I have continually been faced by difficulties caused by his own aversion to publicity To his sombre and cynical spirit all popular applause was always abhorrent and nothing amused him more at the end of a successful case than to hand over the actual exposure to some orthodox official and to listen with a mocking smile to the general chorus of misplaced congratulation It was indeed this attitude upon the part of my friend and certainly not any lack of interesting material which has caused me of late years to lay very few of my records before the public My participation in some of his adventures was always a privilege which entailed discretion and reticence upon me

Sherlock Holmes and Dr Watson travel to Cornwall for rest but their quiet retreat is disrupted when they encounter a mysterious and horrifying case A peaceful home is struck by a sudden and inexplicable tragedy that leaves one victim dead and others deeply affected in ways no one can understand Holmes must rely on sharp observation and deduction to uncover the hidden force behind the strange events

The Adventure of the Devil's Foot Sherlock Holmes Arthur Conan Doyle, Sir,2014-03-02 In recording from time to time some of the curious experiences and interesting recollections which I associate with my long and intimate friendship with Mr Sherlock Holmes I have continually been faced by difficulties caused by his own aversion to publicity To his sombre and cynical spirit all popular applause was always abhorrent and nothing amused him more at the end of a successful case than to hand over the actual exposure to some orthodox official and to listen with a mocking smile to the general chorus of misplaced congratulation It was indeed this attitude upon the part of my friend and certainly not any lack of interesting material which has caused me of late years to lay very few of my records before the public My participation in some of his adventures was always a privilege which entailed discretion and reticence upon me It was then with considerable surprise that I received a telegram from Holmes last Tuesday he has never been known to write where a telegram would serve in the following terms Why not tell them of the Cornish horror strangest case I have handled I have no idea what backward sweep of memory had brought the matter fresh to his mind or what freak had caused him to desire that I should recount it but I hasten before another cancelling telegram may arrive to hunt out the notes which give me the exact details of the case and to lay the narrative before my readers It was then in the spring of the year 1897 that Holmes s iron constitution showed some symptoms of giving way in the face of constant hard work of a most exacting kind aggravated perhaps by occasional indiscretions of his own In March of that year Dr Moore Agar of Harley Street whose dramatic introduction to Holmes I may some day recount gave positive injunctions that the famous private agent lay aside all his cases and surrender himself to complete rest if he wished to avert an absolute breakdown The state of his health was not

a matter in which he himself took the faintest interest for his mental detachment was absolute but he was induced at last on the threat of being permanently disqualified from work to give himself a complete change of scene and air Thus it was that in the early spring of that year we found ourselves together in a small cottage near Poldhu Bay at the further extremity of the Cornish peninsula It was a singular spot and one peculiarly well suited to the grim humour of my patient From the windows of our little whitewashed house which stood high upon a grassy headland we looked down upon the whole sinister semicircle of Mounts Bay that old death trap of sailing vessels with its fringe of black cliffs and surge swept reefs on which innumerable seamen have met their end With a northerly breeze it lies placid and sheltered inviting the storm tossed craft to tack into it for rest and protection
