McCarthy, 2018-03-22 *Lincoln's Plan of Reconstruction*, 2009 **Lincoln's Plan of Reconstruction (Classic Reprint)** Charles H. McCarthy, 2016-06-20 Excerpt from Lincoln s Plan of Reconstruction After 1820 all the dangers which menaced the integrity of the Union were with one notable exception traceable to this cause When Mr Lincoln in his discussions with Senator Douglas declared that it was the sole cause of all the troubles which had disturbed the nation he meant probably to assert no more than that in his own time it had been the most conspicuous one About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Lincoln and Reconstruction** John C Rodrigue, 2013-06-19 Although Abraham Lincoln dominates the literature on the American Civil War he remains less commonly associated with reconstruction Previous scholarly works touch on Lincoln and reconstruction but they tend either to speculate on what Lincoln might have done after the war had he not been assassinated or to approach his reconstruction plans merely as a means of winning the war In this thought provoking study John C Rodrigue offers a succinct but significant survey of Lincoln s wartime reconstruction initiatives while providing a fresh interpretation of the president s plans for postwar America Revealing that Lincoln concerned himself with reconstruction from the earliest days of his presidency Rodrigue details how Lincoln s initiatives unfolded especially in the southern states where they were attempted He explores Lincoln s approach to various issues relevant to reconstruction including slavery race citizenship and democracy his dealings with Congressional Republicans especially the Radicals his support for and eventual abandonment of colonization his dealings with the border states his handling of the calls for negotiations with the Confederacy as a way of reconstructing the Union and his move toward emancipation and its implications for his approach to reconstruction As the Civil War progressed Rodrigue shows Lincoln s definition of reconstruction transformed from the mere restoration of the seceded states to a more fundamental social economic and political reordering of southern society and of the Union itself Based on Lincoln s own words and writings as well as an extensive array of secondary literature Rodrigue traces the evolution of Lincoln s thinking on reconstruction providing new insight into a downplayed aspect of his presidency LINCOLNS PLAN OF RECONSTRUCTIO Charles Hallan 1860-1941 McCarthy, 2016-08-28 This work has been selected by scholars as being
