## **Like A Flower In Bloom:**

*Reflections in Poetry* Glenn Dell Chatmon, 2010-06-09 Reflections in Poetry was first thought about when I was working down in the Gulf of Mexico Twelve hours a day five days a week I use to write during my lunch break or back at the motel I put together some material in a legal pad and left everything in the Motel under the mattress When I relocated back to Sumter SC it was very hard getting started with so many things on my mind I asked God to give me the peace of mind that I needed to put my thoughts on paper I stayed up one night until four in the morning writing I needed that to get a lot of stuff off my chest and off my mind I really enjoyed putting Reflections in Poetry together it reflects on those that have passed on good people whose memories I'll always treasure and will never forget Friends that I met over the years our paths crossed and we connected platonically They inspired me in their own unique way to write about them in poetry Reflections in Poetry are collections of treasured thoughts from my heart to yours Enjoy Glenn Dell Chatmon *A Golden Fancy* Henry Dumont, 1910 *Like a Flower in Bloom* Siri Mitchell, 2015-01-06 He Stole the Work She Loved Will She Let Him Steal Her Heart as Well It's all her uncle's fault For years Charlotte Withersby has been free to pursue her love of plants and flowers by assisting her botanist father But now that she's reached the old age of twenty two an intrusive uncle has convinced her father that Charlotte's future the only proper future for a woman is to be a wife and mother not a scholar Her father is so dependent on her assistance that Charlotte believes he'll soon change his mind and then Edward Trimble shows up A long time botany correspondent in the South Pacific Trimble arrives ready to step in as assistant so that Charlotte can step out into proper society a world that baffles her with its unwritten rules inexplicable expectations and confounding fashion Things aren't perfectly smooth between Trimble and her father so Charlotte hatches a last gasp plan She'll pretend such an interest in marriage that the thought of losing her will make her father welcome her back Only things go quickly awry and she realizes that the one man who recognizes her intelligence is also the person she's most angry with Edward Trimble her supposed rival Suddenly juggling more suitors than she knows what to do with Charlotte is caught in a trap of her own making Will she have no choice but to leave her beloved flowers behind **The Magazine Flowers**, 1912
