TLA Film, Video, and DVD Guide 2002-2003 David Bleiler, 2001-11-03 A film video and DVD guide for the true lover of the cinema, this volume focuses on independent and international films as well as the best of the mainstream. 450 photos throughout. **Now What? Artists Write!** Mark Kremer, Maria Hlavajova, Annie Fletcher, 2004 There is a tendency to clutter things up to try to make sure people know something about art when all that's necessary is to present it and to leave it alone, wrote Bruce Nauman, expressing the idea that's central to this inspiring free-wheeling book. Twenty-two international artists create an engaging compendium of upfront ideas about their concerns, fascinations, dreams, and ambitions. Featured artists' writings include Liam Gillick from Germany, Willem de Rooij from the Netherlands, and Thorvaldur Thorsteinsson from Iceland, among many more. Leave it to the artists to bring a long-needed breath of fresh air to their field. **America**

Anonymous Benoit Denizet-Lewis, 2009-01-06 America Anonymous is the unforgettable story of eight men and women from around the country, including a grandmother, a college student, a bodybuilder, and a housewife struggling with addictions. For nearly three years, acclaimed journalist Benoit Denizet-Lewis immersed himself in their lives as they battled drug and alcohol abuse, overeating, and compulsive gambling and sexuality. Alternating with their stories is Denizet-Lewis's candid account of his own recovery from sexual addiction and his compelling examination of our culture of addiction, where we obsessively search for new and innovative ways to escape the reality of the present moment and make ourselves feel better. Addiction is arguably this country's biggest public health crisis, triggering and exacerbating many of our most pressing social problems: crime, poverty, skyrocketing health care costs, and childhood abuse and neglect. But while cancer and AIDS survivors have taken to the streets and to the halls of Congress, demanding to be counted, millions of addicts with successful long-term recovery talk only to each other in the confines of anonymous Twelve Step meetings. A notable exception is the addicted celebrity who often enters and exits rehab with great fanfare. Through the riveting stories of Americans in various stages of recovery and relapse, Denizet-Lewis shines a spotlight on our most misunderstood health problem: addiction, a brain disease.

A spiritual malady A moral failing and breaks through the shame and denial that still shape our cultural understanding of it and hamper our ability to treat it Are Americans more addicted than people in other countries or does it just seem that way Can food or sex be as addictive as alcohol and drugs And will we ever be able to treat addiction with a pill These are just a few of the questions Denizet Lewis explores during his remarkable journey inside the lives of men and women struggling to become or stay sober As the addicts in this book stumble fall and try again to make a different and better life Denizet Lewis records their struggles and his own with honesty and empathy **New York** ,2005-08 **Day's Practical and**
