

A close-up photograph of laboratory glassware. In the foreground, a beaker is partially filled with a vibrant blue liquid. To its left, another beaker is visible, also containing the same blue liquid. A glass dropper is positioned above the beaker in the foreground, with a single drop of the blue liquid hanging from its tip, about to fall. The background is dark and out of focus, showing more laboratory equipment. The overall lighting is soft, highlighting the clarity of the glass and the color of the liquid.
