Stapley, 2018 A church s liturgy is its ritualized system of worship the services and patterns in which believers regularly participate While the term often refers to a specific formal ritual like the Roman Catholic Mass events surrounding major life events birth coming of age marriage death are often celebrated through church liturgies By documenting and analyzing Mormon liturgical history Jonathan Stapley is able to explore the nuances of Mormon belief and practice More important he can demonstrate that the Mormon ordering of heaven and earth is not a mere philosophical or theological exercise The Power of Godliness is the first work to establish histories for these unique liturgies and to provide interpretive frameworks for them
