## **Jaya An Illustrated Retelling Of The Mahabharata Devdutt Pattanaik:**

Jaya Devdutt Pattanaik, 2010 High above the sky stands Swarga paradise abode of the gods Still above is Vaikuntha heaven abode of God The doorkeepers of Vaikuntha are the twins Jaya and Vijaya both whose names mean victory One keeps you in Swarga the other raises you into Vaikuntha In Vaikuntha there is bliss forever in Swarga there is pleasure for only as long as you deserve What is the difference between Jaya and Vijaya Solve this puzzle and you will solve the mystery of the Mahabharata In this enthralling retelling of India's greatest epic the Mahabharata originally known as Jaya Devdutt Pattanaik seamlessly weaves into a single narrative plots from the Sanskrit classic as well as its many folk and regional variants including the Pandavani of Chattisgarh Gondhal of Maharashtra Terukkuttu of Tamil Nadu and Yakshagana of Karnataka Richly illustrated with over 250 line drawings by the author the 108 chapters abound with little known details such as the names of the hundred Kauravas the worship of Draupadi as a goddess in Tamil Nadu the stories of Astika Madhavi Jaimini Aravan and Barbareek the Mahabharata version of the Shakuntalam and the Ramayana and the dating of the war based on astronomical data With clarity and simplicity the tales in this elegant volume reveal the eternal relevance of the Mahabharata the complex and disturbing meditation on the human condition that has shaped Indian thought for over 3000 years

Shyam Devdutt Pattanaik, 2018 In the forest of insecurities is it possible to discover humanity through pleasure Can we stop seeing each other as predator prey rival or mate and rediscover ourselves as lovers Does the divine reside in sensual delight in emotional intimacy and in aesthetic experience Yes yes yes That is the promise of the Bhagavata The Bhagavata is the story of Krishna known as Shyam to those who find beauty wisdom and love in his dark complexion It is the third great Hindu epic after the Mahabharata and the Ramayana However this narration was composed in fragments over thousands of years first as the Harivamsa then as the Bhagavata Purana and finally as the passionate songs of poet sages in various regional languages This book seamlessly weaves the story from Krishna's birth to his death or rather from his descent to the butter smeared world of happy women to his ascent from the blood soaked world of angry men

**What Came First** Devdutt Pattanaik,2016-10-28 Itihas means this is how it was this is how it is and this is how it will continue to be It means history but it also means timeless The Ramayana and the Mahabharata form a rich tapestry of Indian itihas Which came first the Ramayana or the Mahabharata Are they actually historical events Which one has Krishna s raas leela Where is Shiva in this What about the Devi India s favourite mythologist Devdutt Pattanaik tells you everything you didn t know about our myths a story born 2000 years ago teaching us the ageless tale of how to live in grace Did you know the Laxman rekha didn t exist in the original Ramayana Or that Radha is never mentioned in the original Krishna story Perfect for this festive season find out all this and more in this short sweet read from Devlok

**Yama** Devdutt Pattanaik,2016-10-28 Do you know you have to go through 84 lakh births before you can be born into human form Or that Yama is trapped in Naraka because he was the first human Not everyone goes to the same Swarga or Naraka do these places have VIP sections that can be reserved And why did the Kauravas go to Swarga while the Pandavas were stuck in hell The question of what happens after death is one that has plagued humanity since the beginning

of time and it reaches its symbolic peak in the complex cyclical Hindu tradition Devdutt deftly unpacks our traditional narratives to uncover the deeper meanings behind well worn stories Find out what happens after death in this short sweet read from Devlok

**Style of India** Geeta Khanna,2025-08-06 A stunning visual view of the evolution of style in India this spectacular volume traverses an incredible breadth of history offering a panoramic view of the defining moments the cultural factors historical compulsions and mystical concepts that have intersected over time and propelled the evolution of style in the country over millennia Bringing together over 100 stunning visuals from archival material and gorgeous recreations of drapes and accessories over centuries accompanied by perceptive essays this unique book weaves a compelling chronicle from pre history and the Harappan civilization to the era of Hindi cinema and contemporary Indian fashion to throw a spotlight on the unique story of Indian style An unforgettable pictorial journey through the history of style in India this work is a must have for style connoisseurs aspiring designers and students of fashion design for years to come

**The Colour Divine** Devdutt Pattanaik,2016-10-28 The Indian tradition of colour has two branches the vairagya the ascetic which keeps things simple and the grihastha the householder which features a riot of colours to rival the rainbow Colours signify well being prosperity and good luck Perhaps that s why Indian gods are steeped in a tradition of colour symbolism Why is Krishna as blue as the sky and Shiva the grey of ashes Why do Laxmi and Durga wear bold red saris while Saraswati wears white Why is black considered inauspicious by some but the colour of Kali Ma Walk through the many shades of meaning in this short sweet read from Devlok

**Olympus** Devdutt Pattanaik,2016-09-20 Olympus is the home of the Greek gods much like Amravati of the Hindu devas Zeus leader of Olympians wields a thunderbolt like Indra and rides an eagle like Vishnu The feats of the Greek hero Heracles known to Romans as Hercules reminded many of Krishna as did his name Hari kula esha or lord of the Hari clan The Greek epic of a husband sailing across the sea with a thousand ships to bring his wife Helen back from Troy seems strikingly similar to the story of Ram rescuing Sita from Lanka Is there a connection between Greek and Hindu mythology then Does it have something to do with a common Indo European root Or maybe an exchange of ideas in the centuries that followed the arrival of Alexander the Great when Greek emissaries travelled to the kingdoms of Mathura and Magadha In this book mythologist Devdutt Pattanaik turns his attention to ancient Greek tales and explores a new world of stories Long have Europeans and Americans retold Indic mythologies It is time for Indians to reverse the gaze

**Sita** Devdutt Pattanaik,2013 It is significant that the only character in Hindu mythology a king at that to be given the title of ekam patni vrata devoted to a single wife is associated with the most unjust act of abandoning her in the forest to protect family reputation This seems a deliberate souring of an uplifting narrative Ram s refusal to remarry to produce a royal heir adds to the complexity The intention seems to be to provoke thought on notions of fidelity property and self image And so the mythologist and illustrator Devdutt Pattaanik retells the Ramayana drawing attention to the many oral visual and written retellings composed in different times in different places by different poets each one trying to solve the puzzle in its own

unique way This book approaches Ram by speculating on Sita her childhood with her father Janaka who hosted sages mentioned in the Upanishads her stay in the forest with her husband who had to be a celibate ascetic while she was in the prime of her youth her interactions with the women of Lanka recipes she exchanged emotions they shared her connection with the earth her mother and with the trees her sisters her role as the Goddess the untamed Kali as well as the demure Gauri in transforming the stoic prince of Ayodhya into God

**The Householder** Ritu Sharma,2018-07-31 The roles of men and women in the ancient society were well defined And even though the institution of marriage has remained the same since aeons a woman s purpose and status has drastically changed over the years Women since the beginning of time were always taught that their purpose was to serve men But now the idea that women are created for themselves and for their own happiness is beginning to conquer the world Women today are educated independent and not at all at the mercy of men From living their lives as an oppressed gender women now have an equal role in society But despite her liberation women continue to be enchained by the conditionings of the patriarchal mindset The Householder explores the psychology which is responsible for the biases and prejudices that surround a woman s identity and sexuality and takes us through her journey of survival in a unanimously skewed world

*Weapons of the Gods* Devdutt Pattanaik,2016-10-28 We are told to follow the path of ahimsa non violence but our devis and devatas are always ready for war What is the reason for this How does Shiva hold space and time in the same hands in which he holds his bow Pinak Who made all these weapons And what do our scriptures say about using weapons for mass destruction Devdutt explores the dramatic fantastic weapons of the gods From Indra s Vajra made of bones of a sage to the bow of Kama made of sugarcane butterflies and bees with flowers for arrows read all about the intricacies of ancient weaponry and their symbolic meaning in this short sweet read from Devlok

**Shakti** Devdutt Pattanaik,2016-10-28 The three devis are forms of Shakti and consorts of the three gods but aren t the Tridevi superior to the Trimurti Did the Devi come before the Bhagvan or after Can it be true that without Shakti Shiva is dead Finding the feminism in spirituality Devdutt shows us the intrinsic balance built into Hindu scripture and culture through our goddesses Annapurna shows Shiva that no matter how ascetic even sages need food to eat and that there is greatness in feeding the hungry Durga showed Shiva that a monster that cannot be killed by a deva or asura might be killed by a woman instead Saraswati and Laxmi knowledge and wealth are the fruit of labour born of desire Find out more about an ancient tradition of venerating the female in a natural equality in this short and sweet read from Devlok

**Everything You Need To Know About The Gita** Devdutt Pattanaik,2016-10-28 How did the Gita become the most important granth of the Hindu tradition How old is it in our culture What role did the British play in making it famous and why What is the essence of the Gita Devdutt encapsulates the meaning of one of Hinduism s greatest texts in an accessible understandable and profoundly compassionate way He brings to life the ageless comfort of Krishna s sayings whatever is meant to happen will happen Don t expect to be perfect You cannot blame anyone else for what will happen to you He showcases the wisdom of the

ages with beautiful simplicity and emotional grace Find out more about this exquisite text in this short sweet read from Devlok **Who Created The Universe?** Devdutt Pattanaik,2016-10-28 Did Brahma create the universe Was it born out of the sacrifice of Prajapati Did his wife Shatarupa create animals while being pursued by him Or was it all a product of Manu A Vedic poet says that for anything to be created in the universe it must be preceded by desire If desire is the seed the cosmos is its fruit A Shaiva story says that in the beginning there was a golden woman in the shape of a lotus and when it bloomed Brahma was in it and he then divided into Shiva and Shakti The Vaishnava tradition says that in the beginning everything was asleep and then Vishnu awoke and the first creation was born of the fear of loneliness The Shakta tradition says that before the earth was born Shiva was doing tapasya and there was pralaya everything was frozen and barren Then Parvati emerged from the mountain and seduced and married him The heat or energy within him was then released and the snow started to melt and the earth became fertile Which is it Discover all these origin myths and more in this short sweet read from Devlok **My Gita** Devdutt Pattanaik,2015 In My Gita acclaimed mythologist Devdutt Pattanaik demystifies The Bhagavad Gita for the contemporary reader His unique approach thematic rather than verse by verse makes the ancient treatise eminently accessible combined as it is with his trademark illustrations and simple diagrams In a world that seems spellbound by argument over dialogue vivaad over samvaad Devdutt highlights how Krishna nudges Arjuna to understand rather than judge his relationships This becomes relevant today when we are increasingly indulging and isolating the self selfimprovement selfactualization selfrealization even selfies We forget that we live in an ecosystem of others where we can nourish each other with food love and meaning even when we fight So let My Gita inform your Gita **A Boon and a Curse** Devdutt Pattanaik,2016-10-28 Every karma is a seed and every action has a reaction and sometimes a boon or a curse Can an action ever be completely bad or good Why do rishis curse so much Can the gods be cursed Which is the most intelligent curse Are there only two choices Or can there be a point between good and bad vardaan and shraap punya and paap Once a curse or boon has been offered can it ever be taken back Filled with stories of famous curses and amusing anecdotes this explores the notion of being a good person but also deciding the goodness or lack thereof in another Find out about the many facets of karma and ethics in this short sweet read from Devlok **A Match Made In Heaven** Devdutt Pattanaik,2016-10-28 Can a human being marry a god There are a few gods who are brahmachari bachelors why is that Devis are called kumaris are they brahmachari Why are most of our gods married How many wives does Vishnu really have And our gods are polygamous but our society is not why Vivaah is meant to be a metaphysical union of the body and the soul but our gods also love and marry as we do With compelling love stories and thoughtful interpretations of the societal movements from polygamy to monogamy we find here a rare insight into the personal lives of the gods themselves and the concept of marriage through the ages Join Devdutt on a lovely romp through the deeper meaning of sanskaari romance in India through the ages with this short sweet read from Devlok **Stars and Planets** Devdutt Pattanaik,2016-10-28 Why do the Vedas give

so much importance to stars and planets What is a rashi and what is a nakshatra Are all nakshatras wives of the moon Chandra and why does Chandra wax and wane Do you know the love story of the sun and the the flower raat ki rani What is Shanivar Saturday there to teach you Devdutt brings the sky to life with his thrilling stories of our celestial folklore From the place of homosexuality in the puranas to the enchanting wedding ritual of searching for the star Arundhati the night sky comes alive with romance and wonder in this short sweet read from Devlok
