A Kiss in the Dark Suzanne Enoch, 2024-10-08. A cat burglar extraordinaire trying to reform and finally marry her sexy British billionaire finds herself walking a tightrope when she takes on the security for a glamorous auction house in this sparkling sexy thriller by New York Times bestseller Suzanne Enoch. When Samantha Jellicoe, cat burglar and art thief extraordinaire reformed, is tapped to install last minute security for the auction of a priceless art collection, she leaps at the chance. Not only is it a great offer, but it will lead to future jobs which are hard to find for a talented but notorious ex-thief. If there's one thing Sam knows, it's security and how to get around it. Walking the straight and narrow so she can marry her dreamy aristocratic fiancé, Richard Addison, is not going to be easy, and this case adds a whole new level of complications: the possible involvement of her interfering and equally skilled dad, the auction house's liaison's mysterious background, as well as the hidden motives of her new staff. Means that Sam's burglar sack is full to the brim with extra baggage, and not the sparkly kind. Failure could mean the end of Sam's freedom, her relationship with Rick, and everything she's been working for, so it's all hands on deck for Team Sam with a few twists, fireworks, literal and personal, and some great pizza in a blowout that New York City's art scene will never forget.
