The Courtesan's Memory, Voice, and Late Ming Drama Peng Xu, 2025-09-16 Peng Xu's *The Courtesan's Memory Voice and Late Ming Drama* argues that courtesans of the era played an active role in the theater and their impact manifested in Chinese literary history albeit concealed or erased. In the late Ming dynasty 1368-1644 theater was dominated by male performers with professional actresses largely absent from the stage unlike in the Yuan dynasty 1271-1368 where women performed without restriction in theater troupes. Despite the prevailing assumption that women played no part in the theatrical movement *The Courtesan's Memory Voice and Late Ming Drama* illuminates how courtesans as serious theater artists and playwrights left a significant mark on the male dominated dramatic and literary landscapes. This study profoundly remaps the textbook narratives of gender bias, challenges modern prejudices prevalent in the literary history of Chinese drama, and reveals how theatrical conditions and writing styles shifted to accommodate courtesan performances. Utilizing a wide range of sources such as scripts, city guides, biographies, diaries, letters, wood block illustrations, and paintings, this study distinguishes itself from earlier studies of Chinese courtesans by not thematizing courtesans for their allegorical values but rather pinpointing their agency in shaping the features of Chinese theater and recognizing courtesans as a source of creativity and development in the medium. Xu's focus on courtesan performance culture allows for fresh readings of canonical Chinese plays, opening up new ways of understanding the history of Chinese drama written by women, thus deviating from standard historiography based solely on the writings of men.

*The Sing-song Girls of Shanghai* Bangqing Han, 2007-11-30. Desire, virtue, courtesans also known as sing-song girls, and the denizens of Shanghai's pleasure quarters are just some of the elements that constitute Han Bangqing's extraordinary novel of late imperial China. Han's richly textured panoramic view of late nineteenth century Shanghai follows a range of characters from beautiful sing-song girls to lower class prostitutes and from men in positions of social authority to criminals and ambitious young men recently arrived from the country. Considered one of the greatest works of Chinese fiction, *The Sing-song Girls of Shanghai* is now available for the first time in English. Neither sentimental nor sensationalistic in its portrayal of courtesans and their male patrons, Han's work inquires into the moral and psychological consequences of desire. Han himself, a frequent habitué of Shanghai brothels, reveals a world populated by lonely souls who seek consolation amid the pleasures and decadence of Shanghai's demimonde. He describes the romantic games played by sing-song girls to lure men as well as the tragic consequences faced by those who unexpectedly fall in love with their customers. Han also tells the stories of male patrons who find themselves emotionally trapped between desire and their sense of propriety. First published in 1892 and made into a film by Hou Hsiao-hsien in 1998, *The Sing-song Girls of Shanghai* is recognized as a pioneering work of Chinese fiction in its use of psychological realism and its infusion of modernist sensibilities into the traditional genre of courtesan fiction. The novel's stature has grown with the recent discovery of Eileen Chang's previously unknown translation which was unearthed among her papers at the University

of Southern California Chang who lived in Shanghai until 1956 when she moved to California and began to write in English is one of the most acclaimed Chinese writers of the twentieth century      *The Courtesan* Alexandra Curry,2015-09-08 A timeless novel inspired by the legendary real life Chinese courtesan Sai Jinhua an extraordinary woman who bridged two worlds in the twilight decades of the Qing dynasty a tumultuous era of East meets West The year is 1881 Seven year old Jinhua is left an orphan alone and unprotected after her mandarin father s summary execution for the crime of speaking the truth For seven silver coins she is sold to a brothel keeper and subjected to the worst of human nature When an elegant but troubled scholar takes Jinhua as his concubine she enters the close world of his jealous first wife Yet it is Jinhua who accompanies him as emissary to the foreign devil nations of Prussia Austria Hungary and Russia on an exotic journey to Vienna As he struggles to play his part in China s early blundering diplomatic engagement with the Western world Jinhua s eyes and heart are opened to the irresistible possibilities of a place that is mesmerizing and strange where she will struggle against the constraints of tradition and her husband s authority and seek to find Great Love Sai Jinhua is an altered woman when she returns to a changed and changing China where a dangerous clash of cultures pits East against West As the Boxer Rebellion brews and finally breaks Jinhua s Western sympathies will threaten not only her own survival but the survival of those who are most dear to her An authentic and beautifully written portrait of China s relationship with the West the story of the incredible Sai Jinhua told the way it might have been is not to be forgotten      **Claiming the Courtesan** Anna Campbell,2009-10-13 The Duke of Kylemore knows her as Soraya London s most celebrated courtesan Men fight duels to spend an hour in her company And only he comes close to taming her Flying in the face of society he decides to make her his bride then she vanishes seemingly into thin air Dire circumstances have forced Verity Ashton to barter her innocence and change her name for the sake of her family But Kylemore destroys her plans for a respectable life when he discovers her safe haven He kidnaps her sweeping her away to his hunting lodge in Scotland where he vows to bend her to his will There he seduces her anew Verity spends night after night with him in his bed and though she still dreams of escape and independence she knows she can never flee the unexpected unwelcome love for the proud powerful lover who claims her both body and soul      The Courtesan's Jewel Box Menglong Feng,1981 Klappentext This is a selection of popular Chinese stories from the 10th to the 17th centuries These stories were written in the spoken language that developed as a literary medium after the emergence of an urban commercial economy in the Song Dynasty A D 960 1279 Originally the manuscripts of ordinary street story tellers this genre of fiction deriving its material from the life and times of the period with vivid writing and intricate plots descriptions that are natural and vivacious has now attained a lofty place as literature The twenty stories in this book are selected from over two hundred in several collections published at the beginning of the 17th century The illustrations included in this volume are taken from contemporary editions Enth It Introduction The jade worker The honest clerk Fifteen strings of cash The monk s billet doux The foxes revenge The hidden will The two brothers The beggar
