Lamborghini 100 Years Of Innovation In Half The Time:

Lamborghini Luca Molinari, Raffaello Porro, 2014 To celebrate Lamborghini's first 50 years authors and professionals from different fields narrate its history present and future in a completely new way Lamborghini one of the most famous and iconic of all automobile brands will turn 50 in 2013 1963 2013 Over the course of this half century it has gradually established itself as a leader in its sector integrating perfectly into the culture of its time and becoming a symbol of innovation in design and technology as well as a phenomenon in culture and communication This beautifully illustrated book describes every step of the journey with references to cinema technology design and the work of the men who made their fortune from the brand It is not the usual book about cars written for car enthusiasts but a broader and more complex project with six carefully structured chapters 1 The history 2 The technological innovation 3 The design 4 The people 5 The image 6 The future accompanied by spectacular images of all the models produced up to now revealing how Lamborghini made its way into the collective imagination and became the legend it is today It is a large format volume with 200 beautiful colour images brilliantly evoking a surprising combination of tradition and innovation for all those who are interested in design technology material culture communication and of course the classic qualities of Italian manufacture at its best **Bridging the Values Gap** R. Edward Freeman, Ellen R. Auster, 2015-08-17 Business has a values problem It's not just spectacular public scandals like Enron which incidentally had a great corporate values statement Many companies fail to live up to the standards they set for themselves alienating the public and leaving employees cynical and disengaged To bridge this gap between the talk and the walk Freeman and Auster provide a process through which organizations can collectively surface deeply held values that truly resonate with everyone from top to bottom Their Values Through Conversation VTC process focuses on four key types of values conversations introspective historical connectedness and aspirational VTC ensures that values are dynamic and evolving not static words on a wall or a website Freeman and Auster offer advice real world examples and sample questions to help you create values that are authentic and embraced because they are rooted in the lived experience of the organization **Insourcing Innovation** David Silverstein, Neil DeCarlo, Michael Slocum, 2007-12-17 Innovation is central to business success yet no other aspect of business is as frustrating and out of control Instead of occurring in fits and starts and strokes of genius innovation needs to become an all the time event that's measurable reliable predictable streamlined and effective Structured innovation is a key goal for every organization whereby they more effectively meet the needs of customers and operate more efficiently Insourcing Innovation demonstrates how to transform business using the theory of inventive problem solving TRIZ along with applicable tools and techniques Providing a practical framework this book presents the tactical and strategic aspects of TRIZ its methodology and its components Real world case studies illustrate how TRIZ can be applied in an organization It also discusses how structured innovation is part of total performance excellence examining key aspects of business excellence and how they are related *Popular Science*, 2004-09
